CONTRAILS OF BLOOM

The contrails, or vapor trails, of a majestic skyliner, winging its way into a world beyond our vision, may be compared to those cherished memories which, on our journey through life, linger vividly clear. They are the evidence of the joys of our high school years that remain as we travel into the unknown regions of the future.

DEDICATION

Man's great scientific strides forward during the past decade have been remarkable. Progress has exceeded our greatest expectations and more than repaid the debt she owes to Education, who has provided her with that opportunity to distinguish herself; therefore, out of respect and

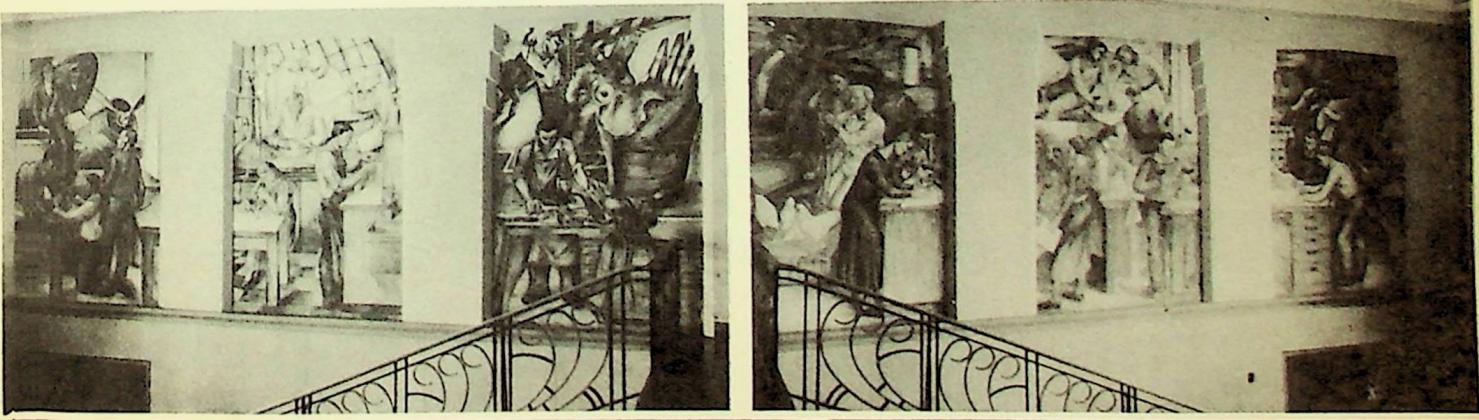

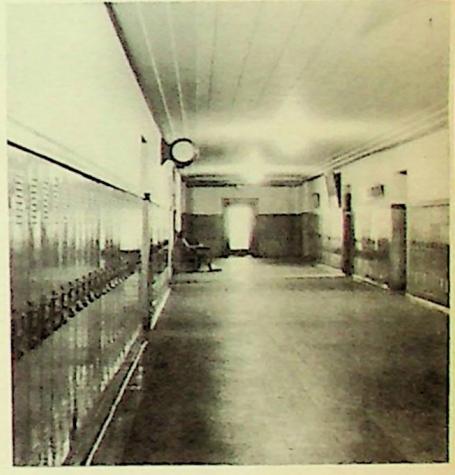

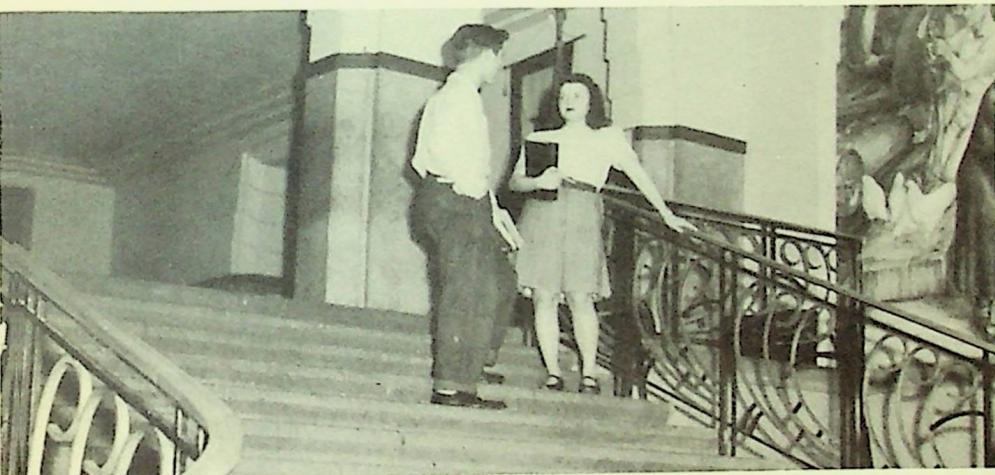

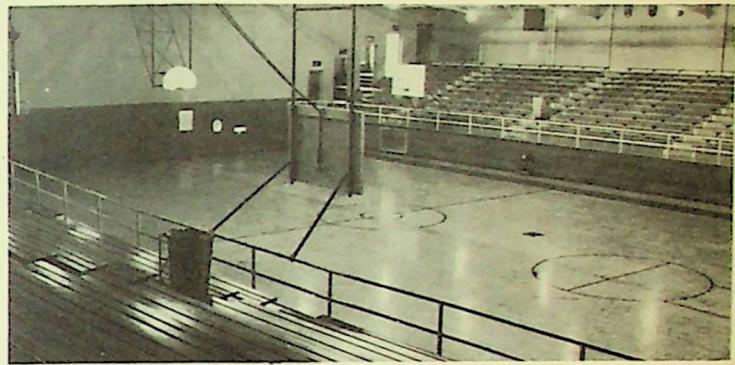

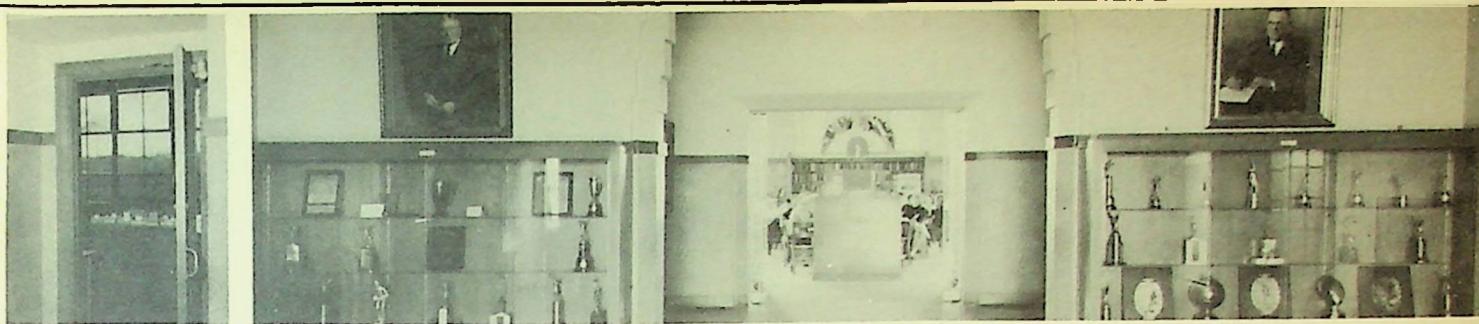

admiration for her inspiring assets, we dedicate this book to Progress, not only to show our appreciation for a job well done, but to show confidence that she will in time overcome the difficulties of that part of her job which is not yet completed.

CAMPUS

Foremost in our memories of Bloom is the impressive Tower which hovers majestically over the campus. It is beneath the Tower under the observing eyes of the sculptured figures that guard our entrance that we spent so many en-

joyable noon hours talking with friends and bosom pals. Then, too, we shall remember "little Bloom" (the Ag. building) and the machine shop, that hall of learning where we were enlightened in the practical arts.

CORRIDOR

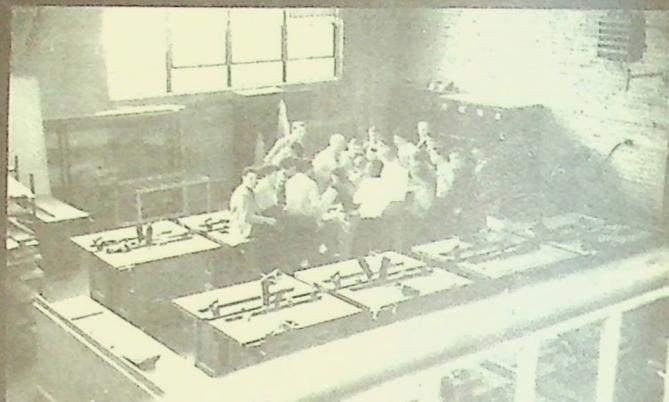

As we enter the building, we are confronted by murals that flank the main stairs and the symmetrically perfect library doors, both of which give us an impression that instills in us a feeling of pride in our school. The beautiful murals

throughout the building, the many pictures that decorate our corridors, and the massive and impressive gymnasium leave us with fond memories that can never be lost.

CONTRAILS OF

In Mr. Nelson's chem lab students make oxygen, hydrogen and perform many other simple experiments which help them develop an inquiring spirit and a scientific attitude.

Those hours that students spend in the general shop learning all there is to know about shop practice will be of great benefit to us in later life.

Drawing, painting, sketching, and various other phases of the art profession are taught in several classes which all together boast more than 75 students.

The training we receive at Bloom will be of inestimable value during our journey through life. The education we obtain from the balanced program of studies during our four years in high school will live not only as memories, like the contrails that linger in the wake of a giant skyliner, but will, for the most part, be carried forward with us on our journey and become a part of us, aiding us to make our journey more prosperous.

Many of our cultural attributes can be traced to the training we receive in the fine arts in such courses as music, (we boast an orchestra as well as a band) art, and literature. To balance this cultural training, we receive extensive practical training in various wood-work classes, machine-shop courses, and other general shop courses.

Bloom even has a greenhouse where students interested in the natural sciences can observe the wonders of nature while they are actually happening.

Mechanical drawing, machine drawing, and architectural drawing enable students to develop a constructive attitude toward the many problems of the mechanical world.

THE CLASSROOM

Problems of democracy, world history, American history, and citizenship all help the students to better understand the principles of democracy and good government.

To satisfy our inquiring spirit, Bloom also offers general courses in physics and chemistry, in which laboratory experiment work is emphasized. Then, too, for those more specifically inclined towards the field of natural science, there are courses in zoology, biology, and botany. For aspiring young farmers, Bloom offers a special full-time course in agriculture. Besides the practical and cultural knowledge we acquire, we also gain a better understanding of good citizenship and the principles of democratic government from a series of social studies, which our school considers important enough to be required for graduation.

Here we receive a balanced and well-rounded education, the value of which becomes more evident as we move forward on life's journey.

The Bloom orchestra and band have enabled musically inclined students to develop their talents and, at the same time, provide entertainment at various school assemblies and social affairs.

In the machine shop, in which courses more advanced than those in the general shop are offered, advanced students further develop their practical skills.

All young bachelors will be interested to know that our girls come out of Bloom home economics courses well-equipped with all the weapons that make for a good cook.

Bloom's aspiring young farmers are given the groundwork for an agricultural career in our "Future Farmers of America" program.

We shall always be indebted to our teachers, with whose guidance and advice we were able to overcome the difficulties of our journey through high school and accustom ourselves to the hardships which we shall encounter later on our flight through life.

FA

To a swell girl
Best of Luck.
Just say the word
& we'll both come out
on top.

RAYMOND D. MEADE

OUR PRINCIPAL

A school is not a thing of brick and mortar alone but is also composed of students, teachers and employees. In a good school all must work together harmoniously. Bloom through the years has been fortunate in having had appreciative students, cooperative teachers and conscientious employees.

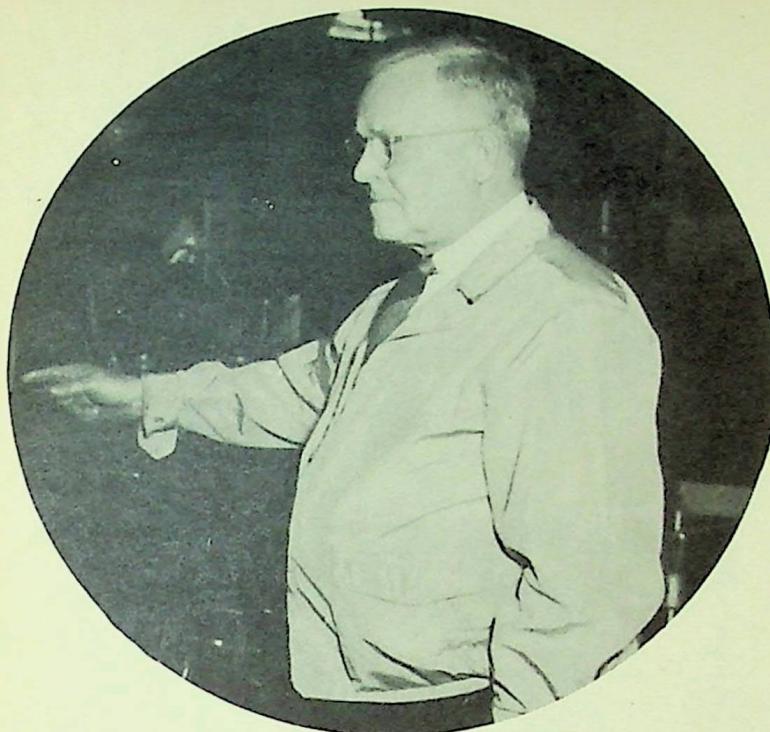

The program of training in a school like Bloom should contribute to its students' intellectual, social, physical and moral development and broaden their outlook on life.

You who are members of the Class of 1946 face a future filled with many challenges as well as many uncertainties. The extent of your opportunity to succeed is limited only by your training, your health, your desire to achieve, and your willingness to accept responsibility.

The future of America rests in the hands of you who constitute the rising generation. Upon your shoulders will fall the duty and the privilege of upholding Freedom's torch. To you we of the passing generation are entrusting our most precious heritage — life, liberty and pursuit of happiness in a great democracy.

May you enter upon this most sacred obligation with courage, vision, and a pure heart!

R.D. Meade

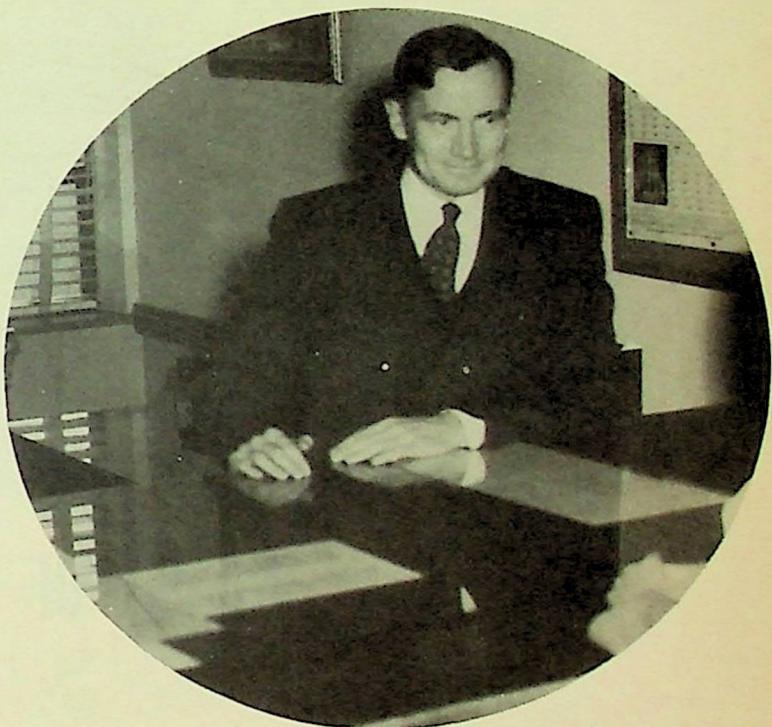

← MR. W. P. DYER, Ph.B.
Assistant Principal
↓

Our Assistant Principal has been with us for many years. His kindly sympathetic, and genial smile has won many friends among the faculty and student body.

Besides his work as Assistant Principal he is head of the Industrial Arts Department. Mr. Dyer has developed one of the best departments of its kind in this section of the state.

MR. CHARLES T. CASSADY, A.B.
Dean of Boys
→
↓

Our Dean of Boys, known to many as "Uncle Charlie", is recognized as a friend and counselor by all who come in contact with him. He is sponsor of the Freshman Class and director of the activities of the City of Bloom. His ability to lead and get along with students has been recognized by the North East District of Student councils which has made him director of its affairs. We have indeed been fortunate to have the guidance of a man whose professional spirit has proved an inspiration and an example to all who come in contact with him.

← MISS ORA M. THEOBALD, A.B., A.M.
Dean of Girls
↓

Our Dean of Girls is a capable director of both extra-curricular activities and also those pertaining to social welfare. The entire student body is indebted to her for her constant and helpful guidance. In addition to a regular schedule of English classes, she is sponsor of the Girls League, the student group developed to foster a friendly spirit among the girls of all the grades. Her warm personality has won for her unusual popularity with the members of the student body.

BOARD OF EDUCATION

The Bloom Board of Education represents a body of men who with Mr. Meade aim to carry on the machinery and aid in keeping up the standards of Bloom Township High School.

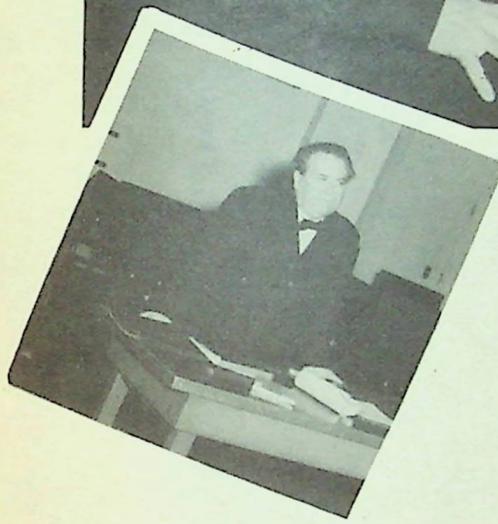

Too often the efforts of the Board go unrecognized. Although their work is done behind the scenes, it is a most important factor in the success and efficiency of an educational institution. Willingly they give much of their time and energy to work faithfully in the interest of the community and students.

In all their work the Board members have been supported whole-heartedly by the townspeople who have been most cooperative.

For their efforts and accomplishments we students are grateful.

Left to Right—Mr. R. D. Meade, second vice-president
 Mrs. G. K. Soldano, treasurer ;Mrs. Clarence
 Klingler, president; Mrs. Edward Larson, secretary;
 and Mrs. Edmund Jaracz, first vice-president.

PARENT TEACHERS ASSOCIATION

The Parent-Teachers Association serves to establish a connecting link between the school itself and the people of the community who are indirectly responsible for the fine educational opportunities offered at Bloom.

This group is vitally interested in the welfare of the students and helps to foster a better understanding between teachers and parents.

Among the worthwhile projects of the group this year were the annual contributions to the Morgue and the Student Loan and Student Aid Funds. Plans to establish a scholarship also were discussed. Rummage sales and membership dues which this year went "over the top" helped to raise the money for these projects.

Two of the outstanding speakers at the bi-monthly meetings were Dr. Preston Bradley, noted pulpit orator and radio commentator, who addressed the group on the subject, "World Peace," and Dr. Frank Jensen, superintendent of the LaSalle-Peru Township High School and Junior College, who discussed the growth of the junior college and its role in post-war education.

MISS JOANNE PAARLBERG

Our attendance clerk who ably keeps the records of the daily number of absentees is a very efficient worker to whom we owe a great deal.

MISS VIOLET NELSON

A very willing helper, she works under the supervision of Miss Soderman, serving as her assistant, and does much of the required work of the office.

MISS FLORENCE NOLAN

A former assistant in the book store, she took charge of many of the duties connected with running a store efficiently.

MR. ALFRED ODEGARD

Our financial adviser and business manager very ably presides over the Bloom bookstore, which is one of the busiest places in school and is very capably managed.

MRS. MINA MALEK

Mrs. Malek is our visiting teacher and the one to whom we take our problems to find a good solution for them.

MISS HILDUR SODERMAN

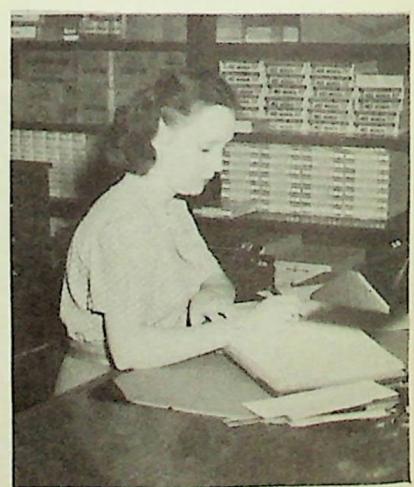

Our registrar, a capable and efficient worker, is head of Office 215. She takes charge of registering all new students, sending transcripts of credit to colleges and other activities of a busy office.

MRS. CATHERINE PUCKETT

B.S., M.A.

The capable cafeteria staff saw to it that Bloom students and faculty got plenty of vitamins in well-balanced and deliciously prepared meals.

Under the direction of Mrs. Catherine Puckett, head of the Home Economics department, these women, some of whom have been here for three years, labored diligently to provide low-cost, nourishing food, despite serious post-war marketing problems. They deserve an "E".

The Maintenance staff, under the expert direction of Mr. John Johnsen, superintendent of buildings and grounds, also deserves an "E" for the very commendable job it did throughout the trying years of the war and this past post-war year.

Handicapped by labor and supply problems, these men never-the-less kept the buildings and grounds in fine shape and upheld our reputation for having one of the most beautiful buildings in the country.

We have flown all too swiftly through our Senior year and have come in on our last high school landing on Graduation day. As we glided through this year with our sponsor Mrs. Petersanti at the controls, we took time to sell football pencils and Trojan pins. We swooped down on the "Bar B Ranch" for our mixer, and we entertained at an assembly with our super production, "Senior Personalities of 1946." The Mother-Daughter Banquet, with the theme "What Bloom Did for the Seniors" was a delightful stop-over for the girls. The memory of the rollicking class play, "A Case of Springtime," will always draw a chuckle from us. The sophisticated Senior Dinner-Dance and the streamlined Junior-Senior Prom will have a permanent place in our log. Finally, Class Day, Baccalaureate, and Graduation Day gave us insurmountable thrills and sent us, the Seniors of 1946, into the expanse of future years.

WAR VETS RETURN TO GRADUATE

The Veterans' Study Center was organized to meet the needs of socially mature World War II veterans who desire to pursue high school work. The group, supervised by Miss Ruby Holden, former Wave officer, met daily in the NYA workshop.

The students, whose ages ranged from nineteen to thirty-one, were each registered in four subjects. Organized lesson materials in twenty-three different subjects were obtained from the extension division of a well-known university. These courses were taken in preparation for the G.E.D. test, which is a comprehensive examination covering high school work. Those who successfully passed this test were given a certificate showing knowledge equivalent to that of the average high school graduate.

Several students were also taking refresher courses in preparation for college entrance.

government which benefited the entire student body. Class activities reached an all-time high because of the effort of our capable class president and his assistants. Under the sponsorship of the Girls League and G.A.A., interesting programs were given exclusively for the girls.

SENIOR CLASS PLAY

Les Sherman's delightful comedy, "A Case of Springtime," proved to be just the right framework needed by our talented dramatists to produce enjoyable entertainment for not only the student body but also for the entire community. This play was presented in the Washington School Auditorium, March 13, 14, 15, under the sponsorship of the Senior Class. Student chairman of the production was Eleanor Malizia, and it was directed by Miss Mary Louise Stelter.

Sixteen-year-old Bob Parker (Charles Waddington) lived an uneventful, normal life—until his girl, Joan Abernacker (Dolores Gardner), the principal's daughter, acquired a decided preference for the suave and sophisticated college boys. In order to impress her Bob took up the art of magic and became so good that he gave an assembly program for the entire student body at his high school. Complication after complication arose and soon we were thoroughly captivated by the plot of "A Case of Springtime."

No stage production can be a success without the men behind the scenes. The publicity was handled by Miss Viola Herr and Lois Kopp; properties and furniture, Miss Leila Veazey and Paul Christofanelli; costumes, Joan Lindberg; programs, Clementine Calacci; tickets, Mr. Albert Berg and Anthony Compagnoni; stagecraft, Mr. Hardin McCann and Sam Di Giovanni; make-up, Miss Vera Kohlhoff and Peggy Carter; lights, Mr. James Sears and Robert Schied.

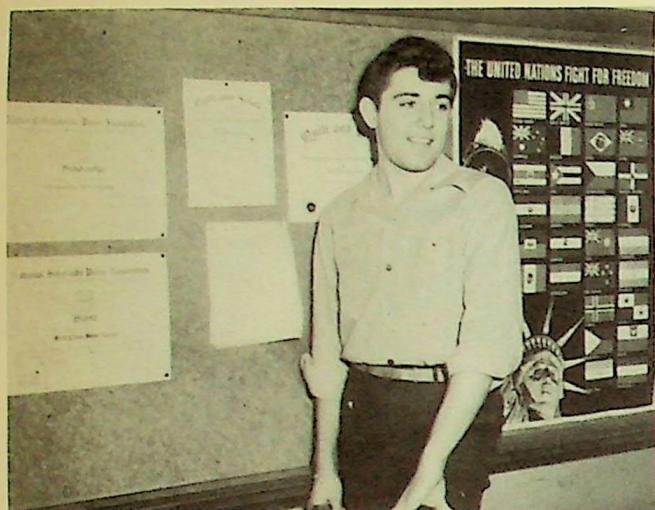

Nor shall we forget our other buddies, the undergrads. We look back on those years when we were undergraduates and remember how we all aspired to be mighty seniors; and then upon attaining this height, we wished we were starting all over again, that we could relive our high school days once more.

UNDER

GRADS

BENNY CALACCI'S policy is "Again! Again! And Again" for he has held the office of presidency since his freshman year. He acted as reporter for the Broadcaster as a sophomore. As head of the Junior class, he was always kept busy; but ambitious Benny found time to participate in his favorite sports. Besides taking an interest in football, tennis, and swimming, he likes to dance. He also finds enjoyment in the radio and movies.

The University of Illinois is his goal where he plans to study pharmacy or social studies.

EARL CARRARA, blue-eyed, brown-haired sophomore, was president of the class this past year. Talented in wood work, he has made shelves, cups, and knick-knacks to add to his home collection. Attending movies is his favorite pastime, although he is interested in baseball and ice-skating as well. Topranking among his band leaders is Tommy Dorsey, whose music he can listen to at any time for any length of time.

Earl, an honor student, will attend college in the hope of realizing his ambition in carpentry.

ALLAN HALL began his first year at Bloom by holding the highest office of the freshman class, that of president. An all-around sportsman, he is interested in baseball, basketball, and football, although he participates in many other sports. Allen's other favorite leisure activities are movies and music. He likes to dance, and, as is characteristic of all ambitious, energetic people, he likes to eat!

An honor student, Al plans to study engineering at the University of Notre Dame after completing his college preparatory course at Bloom.

JUNIOR OFFICERS

Left to right: Toubes, J., Treasurer;
Calacci, B., President; Mavrick, T.,
Vice-president; Patz, J., Secretary

The flight through the year has been smooth-riding for the capable Junior class. They glided through their activities with the speed and ability of experienced flyers. The year began in September with candy concessions at school and at football games. Junior class members took pride in the results of their sales of football pins and basketball pencils and the movie which they sponsored early in November.

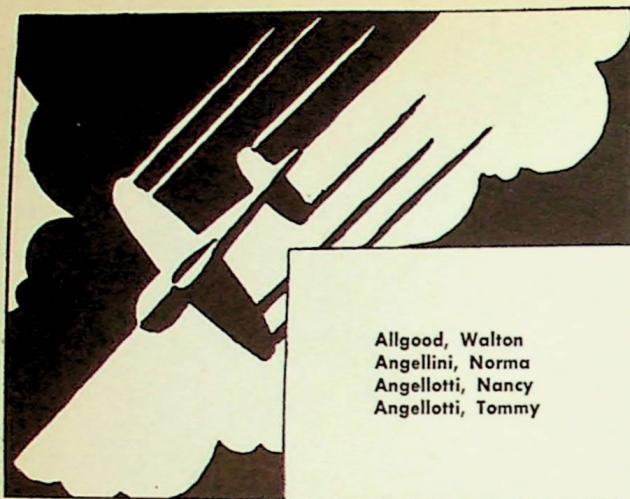

They came in for a landing for the Junior mixer, which was centered about activities during harvest time and Thanksgiving. The Hawaiian effect around Bloom was due to the sale of leis by the Junior class. Their class assembly emphasized the abilities of the junior art students. They dived into the annual event, the Penny Social, on April 12.

The trip came to an end with the anxiously awaited occasion, the Junior Prom, which took place on June 12.

SOPHOMORE OFFICERS

Left to Right: Monty, N.; Secretary;
Stelter, K., Vice-president; Carrara, E.,
President; Lueder, R., Treasurer

The Sophomores emerged from their year at Bloom an ambitious group, as was proved by their work. Miss Vera Kohlhoff succeeded Miss Faye Wilkinson as instructor, as they flew through their second year.

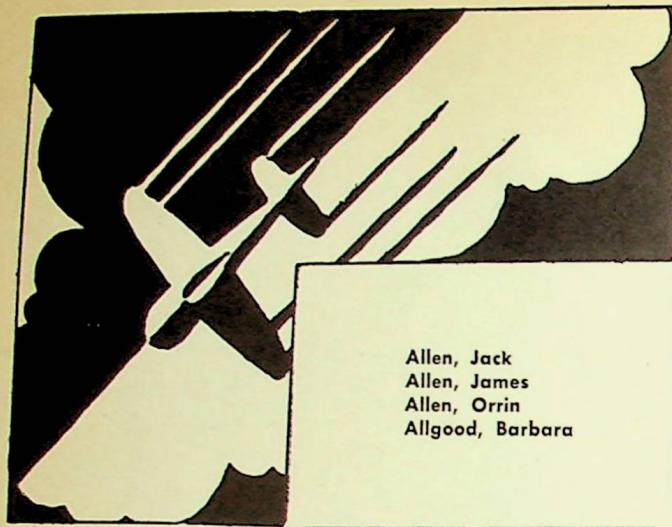

They dived into the greatest event of the year, the Sophomore mixer, which was entitled "The Kay Kyser Kollege of Musical Knowledge." On that day Sophomores were distinguished from others by their Kay Kyser hats. An orchestra provided the music for the occasion. The entire theme of the radio program was carried out, even to the presentation of the commercials. A contest was held in which winning contestants were awarded shampoo, soap, and tooth paste as prizes.

Under their sponsorship, movies were held in the Little Theater. As a final activity they aided in the decoration for the baccalaureate.

FRESHMAN OFFICERS

Left to Right: Hall, A., President;
Lustig, D., Treasurer; Love, J.,
Secretary; Fiore, J., Vice-president

The "Plane of 1949" with its great Freshman class made its take-off last September into the large and interesting world of Bloom activities. They learned rapidly and succeeded in their various flights. Their candy concessions proved to them and to the by-standers that the Freshmen were gaining height and would soon reach the high altitudes of their fellow students.

Their solo flight began mid-year when officers were elected to represent their class. Mr. Charles T. Cassady, sponsor, witnessed all their doings and acted as guide and adviser.

On March 15 they landed and ended their first year at Bloom with the Freshmen mixer which was a great success.

Memories that unforgettably impress themselves on our minds are those associated with the various extra-curricular activities of our high school days. For many, they proved a valuable and everlasting source of learning; for all of us they proved a constructive and entertaining source of enjoyment.

ACTI

VITIES

Standing—V. Zavarella, P. Panici, J. Hills, S. DiGiovanni.
Seated—J. Sedik, V. Ranieri, Y. Nehnevay, A. Compagnoni.

COUNCIL OFFICERS

Composed of an equal number of student officers and teachers who are their advisors, the Executive Council must either pass, reject, or revise all measures passed by the Student Council. In case of a revision the legislation was returned to the Student Council for discussion. The Executive Council acts as "senate," in that a majority in both Councils is necessary to pass legislation.

Council officers were: Mayor Vincent Ranieri who was advised by Mr. R. D. Meade; Commissioner of Public Finance Anthony Compagnoni who was sponsored by Mr. Alfred Odegard; Commissioner of Public Improvements, Victor Zavarella who worked with Mr. Charles Cassady; Commissioner of Social Affairs Phil Panici who was helped by Miss Ora Theobald and Miss Tena Magana; Commissioners of Public Welfare—Jethro Lee Hills first semester and Jean Sedik second semester — who were advised by Miss Dorothy Martin; and Clerk Yolanda Nehnevay.

JUNIOR-SENIOR COUNCIL

The law-making body of the City of Bloom, the Student Council, headed by Mayor Vincent Ranieri, continued the tradition of democratic government.

Besides the social hours, the social activities department sponsored the Homecoming Dance late in November. Welfare drives went "over the top" every time. Some of them were: the Community and War Fund drive, the Red Cross drive, Christmas baskets, and the clothing drive. Also active was the public improvements division which fostered a Fact Finding Board whose duty it was to report on conditions in the school affecting the student body. The entire council backed the Vocational Guidance program begun late in March. Bi-weekly meetings with experts in a particular field were offered to the student body.

This year the Council was invited to join the South Suburban Student Congress.

NATIONAL HONOR SOCIETY

The "cream of the crop," National Honor Society members are outstanding in scholarship, service, leadership, and character. Those elected to the society last year as juniors had maintained at least an average of 3.5 in their work. The group elected as seniors had a 3.0 grade average. Members must have been at Bloom at least one full year.

Headed by President Jean Sedik, who was helped by Vice-president Mildred Koester, Secretary Muriel Nave and Treasurer Tony Compagnoni, the society more than carried out its purpose. To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, to encourage this development in other students were its objects.

Using money earned from candy concessions, the group added to the fund to be used for a servicemen's memorial. Members planned and gave the society's annual party for honor roll students at which the new electees were introduced, and they initiated these students at the annual banquet to which the parents were invited. Late this spring the society feted the junior electees at a small afternoon party.

Miss Pauline Drinkwater sponsored the society.

QUILL AND SCROLL

An honorary society composed of a select group of high school journalists, the local Quill and Scroll is organized to further a high quality of writing in this field. Actual requirements are high scholastic ranking, accomplishment of distinctive work in some phase of journalism, recommendation by the publication adviser, and approval by the national executive secretary, Mr. Edward Nell.

Nominated, elected, and initiated early this spring, the thirteen new members represent both the Broadcaster and the Annual. Miss Betty House, publications adviser, sponsored the honorary society.

Bloom publications received a charter in 1935, though the national organizations adviser, sponsored the honorary society.

BROADCASTER STAFF

Working at top speed and efficiency, The Broadcaster staff, headed by Joyce Meade, editor, and advised by Miss Betty House, issued a bi-weekly newspaper which frequently ran eight pages.

Page editors were: John Lindholm, Flora Jean McKee, Elmer Bernard, Art Ahrendt, King Williams, Jean Sedik, and John Fedak. Cub reporters were chosen from journalism classes and other interested students.

Giving freely of their time, these people, as well as the business and circulation staffs, worked at noon, during study hall periods, and after school. Their gray hairs and nervous breakdowns were compensated for by the students' reception of their "baby".

Seated—E. Malizia, E. Horecny, D. Gardner, C. Rendina, M. Marman.
Standing—M. Helsel, W. Foley, H. Mayhew, E. Bernard, M. Leinen, A. Davis, K. Williams, N. Thornburg, C. Hagens, N. Uliassi, W. North, B. Morrill, D. Smith, K. Whitacre.

Left to Right—M. Nave, P. Barwig, R. Jessen, R. Scheid, Miss House, N. Kappmeyer, E. Sebastian.

ANNUAL STAFF

Chiefed by Bob Scheid, the Annual staff, under the supervision of Miss Betty House, buckled down to serious work after deciding on the theme—"Contrails." Using the contrails to represent memories of the year's activities, the staff symbolized "what's left behind us" by airplane backwash in each section.

Section editors were: Muriel Nave, senior editor; Evelyn Sebastian, under-class editor; Carolyn Peterson, faculty editor; Paul Barwig, sports editor; Jean Sedik, girls sports editor; Nina Kappmeyer candid editor; Bill Foley, Marion Helsel, photographers; Ronald Jessen, activities editor.

Staff artists were Jack Folta, Ernest Seekamp, John Narcissi, Melvin Wysock, Bernadine Wantuck, Newton Thornburg, Andrew Mark, Dominic Falashetti, William Rush, Donald McInness, Anna Marie Piacente, Frank Gatch, and Katherine Whitacre.

Mr. Albert Berg supervised the business and scheduled pictures.

Seated—W. Foley, M. Kaestner, C. Peterson, J. Sedik.

Standing—N. Williams, Miss Kohlhoff, T. Poulos, J. Meade, A. Swatek, N. Adams, B. Sims.

TOWER STAFF

In the publishing of a literary magazine which reflects the spirit of Bloom, the Tower staff, headed by Editor Ted Paulos, hoped to encourage creative writing and to present the best of this writing to the attention of the student body.

The magazine, issued early in the spring, was compiled by the editorial board under the supervision of Miss Vera Kohloff, sponsor. An interest in journalism, above average scholarship, and upper class membership were the specifications for those on the staff. Typists were Nea Adams and Betty Sims.

GIRLS LEAGUE

Besides showing the freshmen about the school, the Girl's League sponsored by Miss Ora Theobald, gave a party in their honor. The members acted as Big Sisters to the freshies.

The officers; Carolyn Peterson, president; Myrtis Maurer, vice-president; Elaine Jahns, secretary; and June Malvestuto, treasurer; continued the League's program of activities with bi-monthly meetings. Christmas was an occasion for a special program.

The Senior Mother-Daughter banquet was the climax of the year's activities.

TRAFFIC GUIDES

Business-like yet courteous, the traffic guides this year were responsible for the regulation of traffic in the halls and on the "up" and "down" stairways. Students were cautioned against running and loafing in the halls between classes. They were on the job during the noon hour in the gym and in the cafeteria as well as in assemblies. Assignments were made by the three lieutenants who also checked attendance on their respective floors and saw that the guides performed their duties efficiently. It was the lieutenants' job to assist when needed and to report irregularities.

Under the Commissioner of Public Improvements, Victor Zavarella, the guides were headed by Duane Schmidt, chief traffic guide. Mr. Charles Cassady sponsored the eighteen boys.

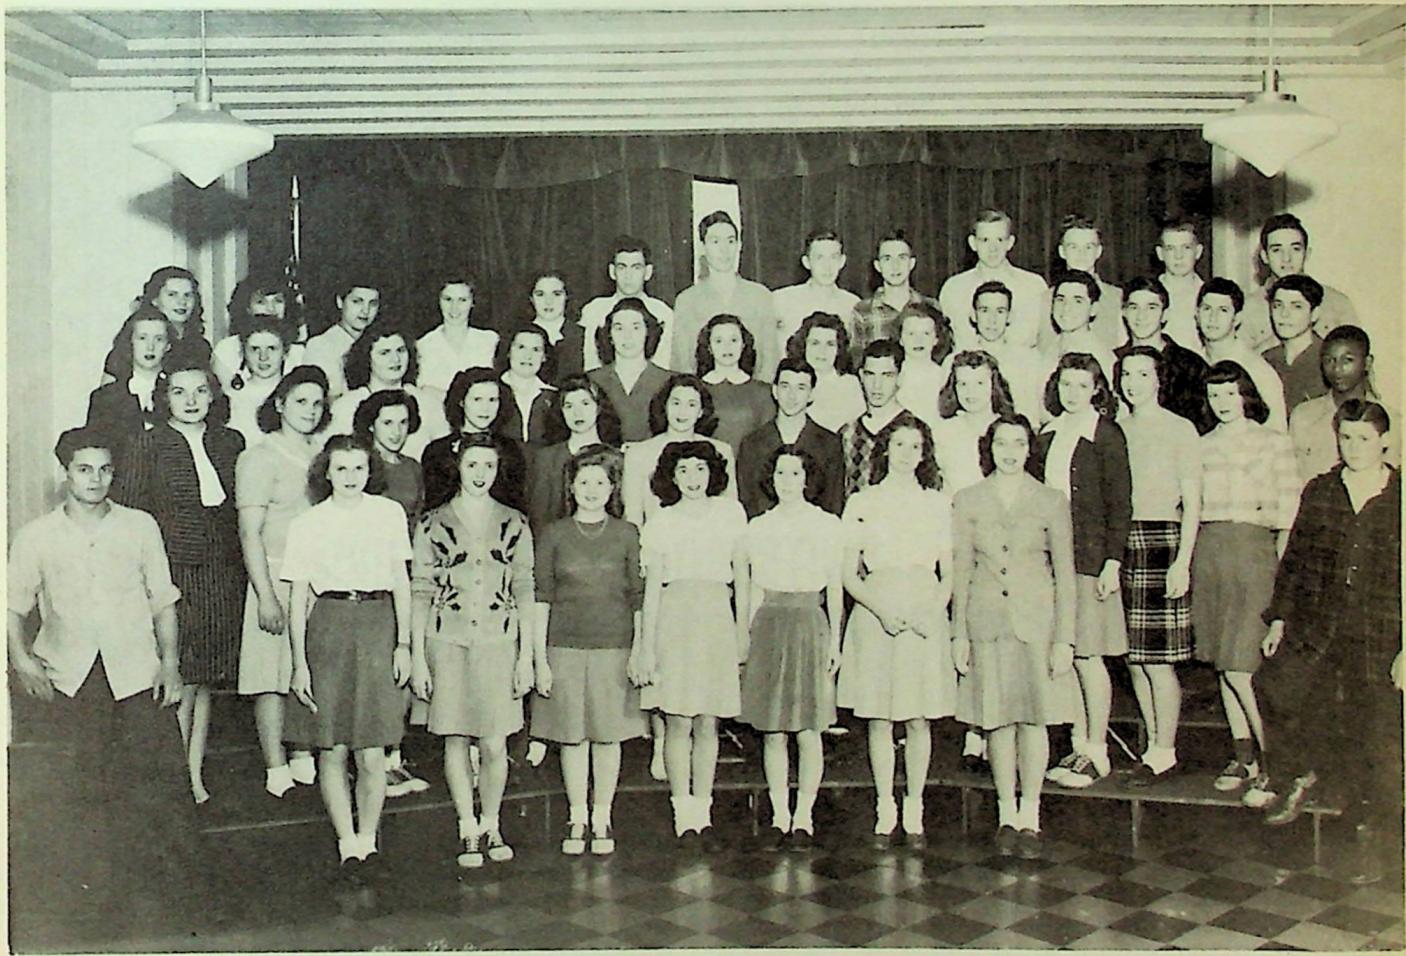

HALL GUIDES

The hall guides this year again checked students for passes, directed and assisted visitors, picked up scraps of paper, locked unlocked lockers and checked washrooms.

Alfonso Renda was chief of the hall guides, and nine guides and one lieutenant were on duty each hour.

In order to be a hall guide a student must be a good citizen of the City of Bloom, be passing in all subjects, neat in appearance, well-groomed, have good taste in clothes, and a business-like, yet courteous attitude.

The duties of the hall guide lieutenants were many. The lieutenants had to make assignments of guides to posts, check attendance every day, see that guides perform their duties efficiently and quickly, report irregularities, and assist in administering the hall-guide system.

SERVICE BUREAU

Pens, pencils, hair combs, erasers, and wallets were a few of the multitude of items that were received by the Service Bureau. The primary function of the Service Bureau is to act as a lost and found department.

The Service Bureau was open before and after school and also during and after the second and sixth periods.

"I'll connect you right away," "You're welcome," are typical expressions of the gals whose voices really have smiles over the interschool telephone system. Besides operating the switchboard, the girls do clerical work, such as filing, sorting and counting out supplies, putting material in the teachers' mailboxes, and other minor office duties.

Miss Hildur Soderman, school registrar, teaches and supervises the girls.

SWITCHBOARD OPERATORS

Seated—M. Stanish, D. Carlson, V. Gifford.

Standing—V. Sons, A. Glasior, V. Wilkens, A. Kahler, C. Pause, Y. Nehnevay, D. Tate, E. Horency, T. Faso.

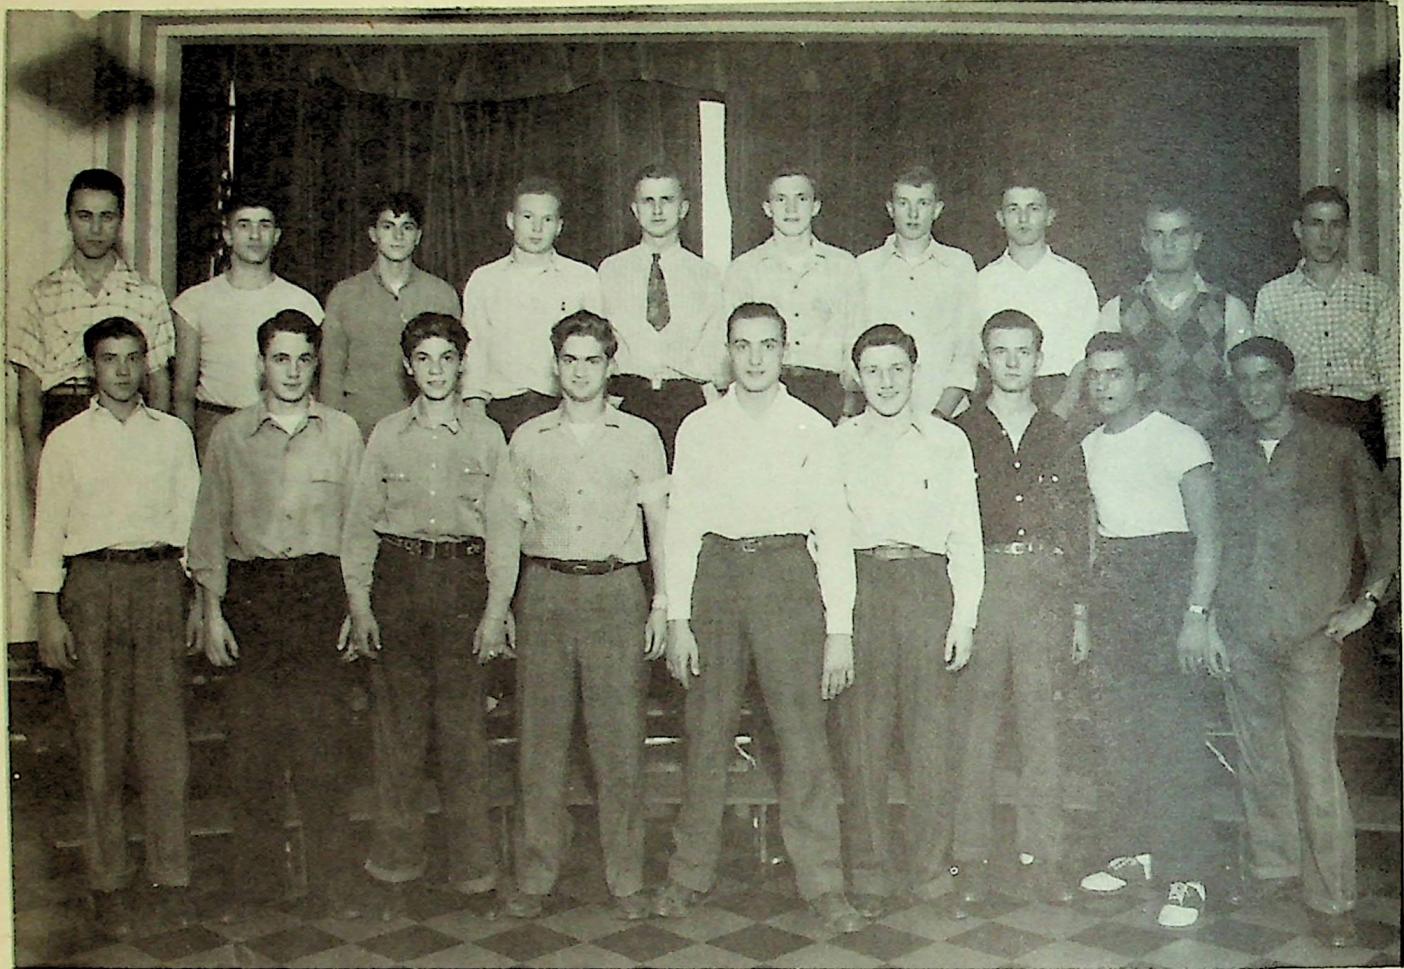

Left to Right—J. A. Cornet, P. Mangillo, M. Shawalter, Miss Theobald, A. Jacobucci, J. Hare, S. Osterberg.

HOSTESSES

The many out-of-town visitors this year, which included people from Canada, Mexico, from all points—north, east, south, and west—of the United States—were welcomed by the cheery smile and courteous "May I help you" of the hostess at the reception desk on the main floor.

It is the duty of the 17 girls, sponsored by Miss Ora Theobald, to welcome guests and direct them to the office. Characterized by friendliness, courteousness, and efficiency, the girls personify the school's hospitality.

Hostesses served during their free period and were awarded activity points for their service.

CAMPUS CORPS

Aiming to keep the school campus as neat as possible, the Campus Corps guides, headed by Jack Folta, were on duty all day every week day. They cautioned students to keep off the grass and asked drivers of cruising cars and motorcycles to cease their reckless driving and dangerous practices. Eating on the campus or in parked cars was prohibited as was smoking. Energetic athletes were asked to play their games in the parking lot east of the building. All significant matters were reported to Mr. Charles Cassady, sponsor, and habitual offenders were given guide checks.

As a group the boys were business-like yet courteous, had ability to assume responsibility and exercise good judgment, and were good citizens of Bloom themselves. The Campus Corps also is a division of the Public Improvements department.

BLOOM CORRIDOR PATROL

Drawn from all four levels because of their willingness to serve, the girls belonging to the Bloom Corridor Patrol aim to be leaders in keeping the building clean and orderly. They exemplify and inspire in fellow students the highest standards of cleanliness.

The members patrolled the cafeteria, the corridor, the gymnasium, and the girls' rest rooms during each of the three shifts of the noon hour. On these assigned posts the girls are punctual, dependable, and cooperative.

Headed by Jacqueline Costabile, captain, June Malvestuto, lieutenant, Elsie Nardoni, secretary, and Marjorie Shepard, treasurer, the Patrol was sponsored by Mrs. Edna North.

First Row—A. Krizan, C. Ruggeri, E. Nardoni, V. Minadeo, B. Renzetti, N. Neroni, M. LaBue, B. Kopyto.

PROJECTOR OPERATORS

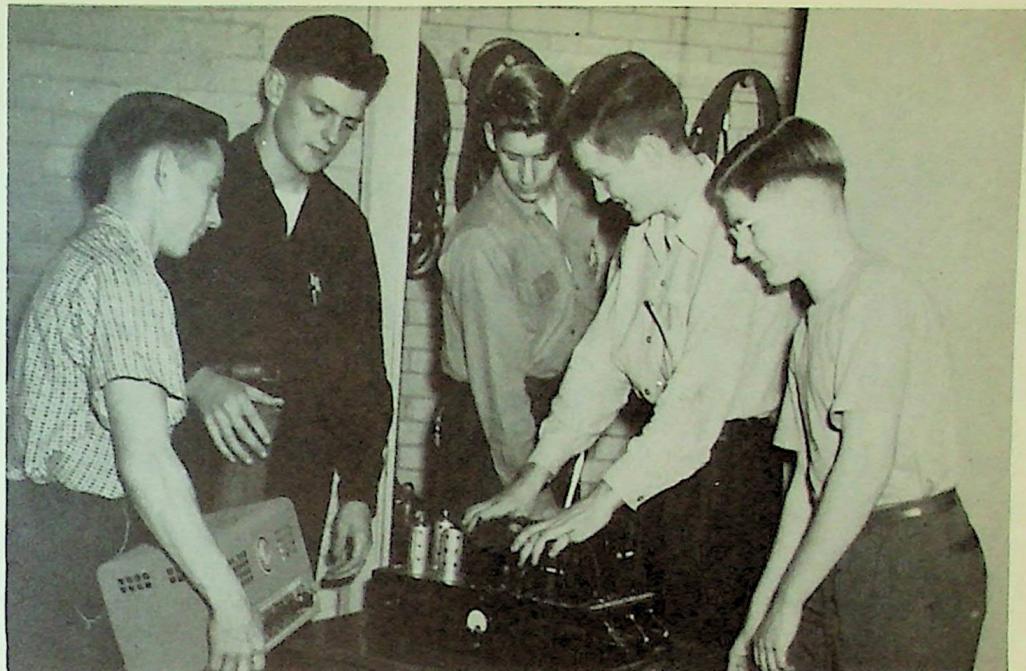

Visual education, an integral part of the study program of many classes, is available in 317 through the service of the projector operators.

Beginners learn how to run and how to repair the machine. Experienced projector operators obtain advanced training in the fields of light, sound, and projection.

Members have a daily study period which can be utilized for projector services at any time. They must be willing to give up free time at noon, after school, and at night to run the machine for special occasions.

Sponsored by Mr. R. F. Briggs the first semester and Mr. James Sears the second semester, the group was headed by Walton Allgood, chief operator. Allgood cooperated with Miss Margaret Norman, who ordered and rented all films to insure accuracy.

Left to Right—W. Liesenfeldt, W. Whitney, R. Fitzner, D. Hamilton, W. Woodhall.

AMPLIFIER OPERATORS

This vital service group has charge of operating the amplifying system at assemblies, banquets, social hours and at the rehearsals for these affairs. Members manipulate the controls of the public address system every week-day as well. This year these boys were also responsible for broadcasting music during the noon hour to the gymnasium and the cafeteria.

The group was sponsored by Mr. R. F. Briggs the first semester and by Mr. James Sears the second semester. Vice-presidents were Bill Liesenfeldt, Bob Fitzner, Don Hamilton, Bill Whitney, and Bill Woodhall.

Left to Right—W. Liesenfeldt, W. Whitney, R. Fitzner, D. Hamilton, W. Woodhall.

Standing—S. DiGiovanni, Mr. Nelson.

MANAGERS CLUB

Known as "Nelson's right-hand men" the members of the '45-46 Managers Club proved themselves to be more than interested in giving service to the athletic department.

Their activities are unusual in amount and variety. During the football and basketball seasons these boys usher, take tickets, direct the parking of cars, serve the teams, and run errands.

Besides working, their common interest—sports—was a source of entertainment. The group attended the Chicago Relays last March, as well as a meeting conducted by Lou Boudreau, manager of the Cleveland Indians baseball team. The boys also put on an assembly program for the students and had their traditional Kaffee Klatch.

Sponsored by Coach E. R. Nelson, the club was directed by President Sam DiGiovanni. Angelo Specca was vice-president, Ray Planca served as secretary, and Phil Panici took care of finances.

Left to Right—M. Jung, C. Brown, F. Denham, C. Vavrus, M. Tobeck, R. Schiffer.

FUTURE FARMERS OF AMERICA

The Future Farmers of America, under the direction of Mr. E. E. Mayhew, were unusually active this year. Besides conducting meetings the FFA held parties, provided skits and promotional activities for the Farmers Evening School, and went on field trips. The purpose of the organization is to develop the ability of the students to participate in meetings, to sponsor and create interest in Vocational Agriculture, to increase interest in quality home projects, to develop cooperation and social education among the members, and to aid in the promotion of the Farmers' Evening School program.

The only qualifications for becoming a member of the FFA are that a student must be a member of the Vocational Agriculture class and that he must have his dues paid.

As in past years the members of this club raised rabbits, chickens, and built ladders, sawhorses, nail boxes, and other equipment that could be used on the farm. Many of the members won cash prizes for projects that they entered in the FFA fair at Seneca, Illinois.

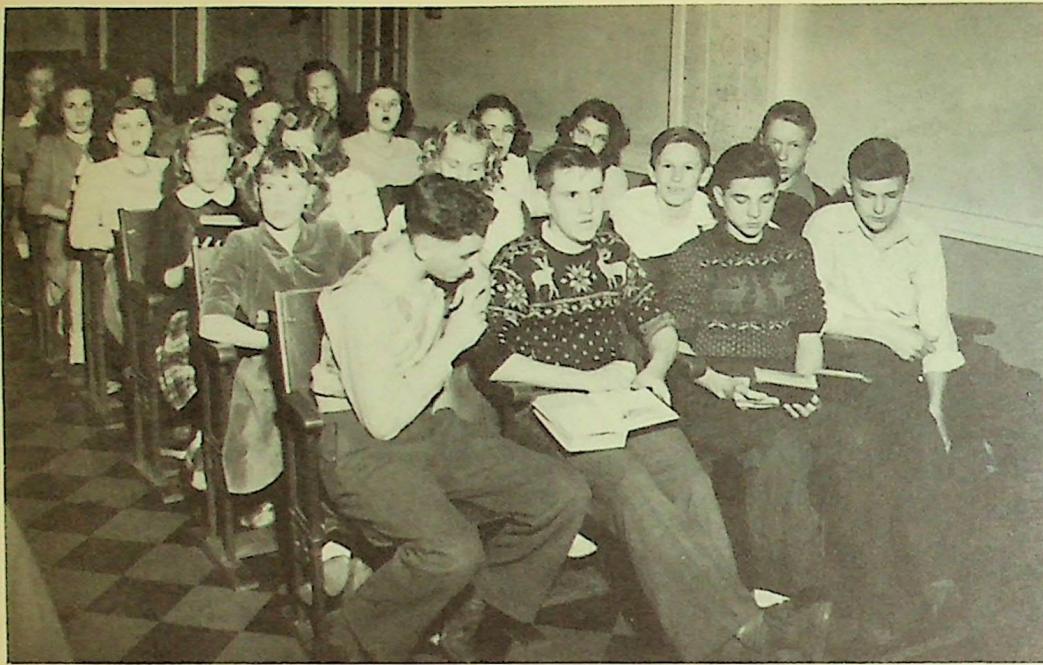

Officers of the FFA were: Howard Paarlberg, president; Merrill Rietveld, vice-president; Thomas Stinson, secretary; and Raymond Nykaza, treasurer.

First Row—J. Peach, D. Hunter, J. Begesha, M. Rietveld, W. Cowger, A. Steinborn, A. Bode, K. Bode, R. Morgan, W. Gay. Second Row—J. Cook, A. Henke, T. Stinson.

ROMA PARVA

Have you ever tried something which at first seems very strange, mysterious and yet quite fascinating? The Roma Parva helps the members to familiarize themselves with the ways of ancient Roman life and the "mysterious and yet quite fascinating." The group's main project was to purchase slides showing ways of Roman life.

Miss Harriet Strauss, the club sponsor, helped all of the members with any bit of custom or fashion which may have confused them by bringing to attention certain games, plays, etc. which made up the bi-monthly meetings.

The officers: President, Eugene Nykaza; Vice President, Mildred Schrohe; Treasurer, Robert Zarosi; and Secretary, Joan Love presided over the regular club meetings which were open to the students of all freshman Latin classes.

Standing—Miss Strauss.

ADVANCED LATIN CLUB

In order to broaden the student's background in the history of Roman customs and to give an opportunity for developing qualities of leadership by service on committees, the Advanced Latin Club met every other week for a business meeting and once a month in room 104 for a special program.

The officers were: Consuls, (co-presidents) Marvin Gavin, and Bob Fitzner; and Scriba, (secretary) Jane Larson. Miss Viola Herr and committees planned special programs amplified by an occasional joint session of language clubs. The Advanced Latin Club was in charge of the candy concession on the first floor for two weeks.

All Latin students above the first year level are eligible for membership. These business meetings, programs and parties made up the year's full program for the 1945-46 season which was climaxed by the Annual Latin Club banquet.

STUDENT PAN-AMERICAN LEAGUE

In order to better understand the customs and ways of our southern neighbors, the student Pan-American League is organized and operates under the competent direction of its officers; President, Evelyn Sebastian; Vice-President, Charles Waddington; Secretary, Joanne Cameli; and Treasurer, Carol Pause. It meets twice a month, once for a business meeting and once for a program. The League spent a very enjoyable time entertaining both the Latin clubs at Christmas time with the ceremony taking the spot light.

Climaxing the year was "Carmen" which was presented early in May for the student body.

AUDUBON CLUB

Organized for the purpose of learning more about the living world surrounding us, the Audubon Club, sponsored by Miss Altha Haviland, held weekly meetings this year. The principal activity of the group is the publication of the "Audubonite," a booklet written and compiled by the members of the club. Other activities are concerned with the study of birds and nature.

An interest in birds and in nature is the only qualification for membership.

Elected annually, the officers of the club were as follows: Jack Schmeckebeier, president; John Freeman, vice-president; Minnie Austin, secretary; Jack Pizante, treasurer; and Nancy Cramer, attendance officer.

Left to Right—D. Hunter, Miss Haviland, F. Mikuta, D. M. Piacenti, S. Johnson, S. Wolfe, P. Erhart.

DEBATE CLUB

Once again this talkative group of Bloomites gathered weekly to discuss and debate topics of current interest. This year the subject that was debated most frequently was "Peacetime Conscription," which is the national debate topic for high school clubs.

The heated discussions which arose from these debates gave the members of the club a chance to exhibit their talents in oratory and refutation. The chief purpose of the club is to give its members such a chance and to teach them the fundamentals of debate, which includes instruction in organizing and presenting their speeches and in refuting their opponents case.

Besides the regular weekly debates intermural contests with near-by schools were planned to give the members the valuable experience of meeting other teams.

This year the Debate club was again sponsored by Mr. David Cooper. The student officers who administered the organization's business were Elwood Willey, president; Marie Marnan, secretary; and Angelo Frascarelli, treasurer.

LIBRARY GIRLS

With a quick smile and a willing hand the Junior Librarians, sponsored by Miss E. Pearl Hess, serve all Bloomites in 214. At the charging desk they supervise the lending of books and set out periodic pamphlets and magazines. The girls also help with the permanent filing and with the checking in of new books.

Each girl, in order to become a member of this service group, has to show herself to be efficient, well-mannered, and quick of comprehension and action. She must be equally charming to faculty and student body.

During the weekly meetings the hour is used to become acquainted with "books and libraries." Information gained in these lecture and discussion periods is used in the daily service hour when the girls work with "books and people." They learn to assist the librarian in all phases of library management.

The girls dust the books at the close of each semester and help take a final inventory. They are always on hand at the beginning of each semester to aid Miss Hess and Mrs. Buchtel with the registering of students in library and study hall. Ten activity points are given them each semester for their service.

HOME ECONOMICS CLUB

The Home Economics Club sponsored many different activities during the school year. They also had several parties to make new acquaintances. Miss Loretta Penn watched over these future wives of America. With a keen ambition for homemaking the girls enjoyed making things for their teas.

On May 1 paper ribbons were seen in hair and on shoes and clothing of students. These girls sold their artistic decorations on Bow Day. Seniors bought blue, Juniors red, Sophomores orange, and Freshmen green.

With Dorothy Kelleher as president, Caryl Kamstra as vice-president, and Lorraine Marks as secretary and treasurer, these girls pursued their interest in home economics, clothing and foods.

KNITTING CLUB

Click! Click! Those queer sounds that came from Room 329 were made by the Knitting Club at work after school. Under the capable direction of Miss Dorothy Martin, Members of the club made various articles. Because the majority were beginners, they started on simpler items. Scarfs, caps, and mittens were made for themselves and their friends.

There's an advantage to joining that society; that is—along with their knitting, they discussed their friends and enemies. If something exciting had happened in class, they brought their information to a meeting and passed the time by working and talking. Besides gossiping, they learned to knit, even though it was a fight to the finish. They met on Mondays and Tuesdays to knit the hours away.

Early in the year they elected their president, Bernice Matusiak, vice-president, Mary Ann Delleandro, secretary, Jean Tiberi, and treasurer, Betty Kopyto. With their officers to guide them they have had an enjoyable time shaping various colored yarn into the desired objects.

MUSIC CLUB

The Music Club is open to any student who has an interest in some type of music. The basic purposes of this new club are to promote keener interest in various types of music and to create a better understanding of this fine art in general.

To accomplish these aims a balanced program was set up which included informal talks and discussions on music, demonstrations of the characteristics of the various string, woodwind, and brass instruments, a variety of musical programs, and several trips to Chicago to hear professional presentations of operettas and other musical performances.

The club was sponsored by Miss Lillian Collins and Miss Florence Dangremont, who are members of Bloom's music department. The student officers are Elwood Willey, president; Angelo Frascarelli, vice-president; Eleanor Malizia, secretary; and Lorraine Long and John Heiser, treasurers.

Once again this talkative group of Bloomites gathered weekly to discuss and debate topics of current interest. This year the subject that was debated most frequently was "Peacetime Conscription," which is the national debate topic for high school clubs.

CHOIR

The A Cappella choir, directed by Mr. Arthur Lambrecht, was unusually active this year. Besides performing for the entire student body in a Christmas assembly, a "Gay Nineties" assembly, and a special program in conjunction with the other choral groups, it was featured in two numbers, "Oh Blest Are They" and "One World" on the "Citizens of Tomorrow" radio program.

Other engagements were at the F.F.A. banquet and P.T.A. meetings where they were asked to perform favorites such as "Tea for Two", "Smoke Gets in Your Eyes," and "Seraphic Song." The group also participated in the band concert, in a spring concert with the orchestra, and in the commencement exercises.

Eleanor Malizia was president of the choir; Robert Leoni, vice-president; Victor Zavarella, secretary; and Louis Cameli, treasurer. Mildred Koester and Jayne Miller served as librarians.

GIRLS GLEE CLUB

Former Freshman and Advanced Chorus members who passed an examination comprised the Girls Glee Club, directed by Mr. Arthur Lambrecht. Each girl was able to read music on sight.

This club performed for adult audiences as well as for the student body. Besides singing at the Christmas assembly, it appeared at the Band concert, at the Spring concert given by the orchestra and the choral groups, at Baccalaureate, and at Commencement.

Their special numbers were "Bells of St. Mary's" the Donkey Serenade," and "Ciribiribin."

Marilyn Harms served as the librarian during their bi-weekly meetings.

BOYS GLEE CLUB

A "stepping-stone" to the A Cappella Choir, the Boys Glee Club was composed of those who were interested in singing. Fundamentals of choral music as well as those of sight-reading were an integral part of the program of instruction followed by its director, Miss Lillian Collins.

The boys enjoyed their singing, too. Their favorite numbers were "Just Awearyin' for you," "Sophomore Philosophy," "Wish I was a Rock," and "Now the Day Is Over."

Elmer Piepenbrink and Bryce Reeve performed their duties as librarians during their bi-weekly meetings. John Heiser was the group's secretary.

ADVANCED CHORUS

Strains of "Brown Bird Singing," "Nursery Rhyme Suite," and "Deep Purple" flowed from the music room during the meeting time of the Advanced Chorus.

Directed by Miss Lillian Collins, these "songbirds" were qualified for the advanced instruction they received after they finished the Freshman choral training. Special attention was given this year to interpretation, enunciation, and breathing.

All these things help prepare a member for the Advanced Chorus, for the Glee Club or the chorus. Conscientious work is the determining factor in her advancement speed.

Violet Brandon acted as the librarian for this group.

FRESHMAN CHORUS

Learning the fundamentals of choral singing and sight-reading was the task of the Freshman Chorus, directed by Miss Lillian Collins.

The group mastered many numbers, but its favorites were "Path Leading Down to the River," "O Divine Redeemer," and Strike Up the Band." The enthusiastic and hard-working members foretell an excellent 1948 choir.

Shirley Limkow, Lupe Overall, Esther Biamonte, and Eva Mae Friends were librarians. Those serving as secretaries were Dolores Smith and Theresa Narcissi.

ORCHESTRA

To study and present a well-balanced repertoire of orchestral literature, including classic, romantic, and modern music, was the aim of the Advanced Orchestra which was directed by Miss Florence Dangremont. It was composed of students who have playing ability and the desire to work with others having the same interest in music.

The Orchestra's activities included playing for assembly program at Christmas and during music week; presenting entr'acte music for the Senior class play; giving the annual Spring concert; playing for Class day, Baccalaureate, and Commencement. Smaller groups appeared in concerts for the P.-T. A. and other group meetings.

ORCHESTRA

Nedo Uliassi, president, Barbara Buchtel, secretary, Angelo Frascarelli, student conductor, Vincent Ranieri, concert master, and Marilyn Scogin, librarian, were the officers this year.

Several members entered the Regional Solo and Ensemble music contest held here in March. Angelo Frascarelli placed in the first division as did the piano quartet composed of Angelo and Vincent Ranieri, violinist, Nedo Uliassi, cellist, and Dick Bloesch, pianist.

A beginning string class of violin, viola, cello, and bass met during the sixth hour and acted as a "feeder" for the "Advanced Orchestra."

BAND

The shrill of the drum major's whistle and a loud roll on the drum heralded half-time entertainment at all of this past year's home football games. Making special tunes, the band, under the direction of Mr. C. Gale Crumb, was at the Kankakee and Calumet City games as well. Helping to rededicate Memorial Field was one of the band's fall activities.

The mid-winter program included playing at home basketball games and giving the semi-popular assembly. Then strains of "How Deep Is the Ocean" as well as "Caravan" were heard. At Christmas time members financed, signed, and addressed cards to all former band players then in the service.

BAND

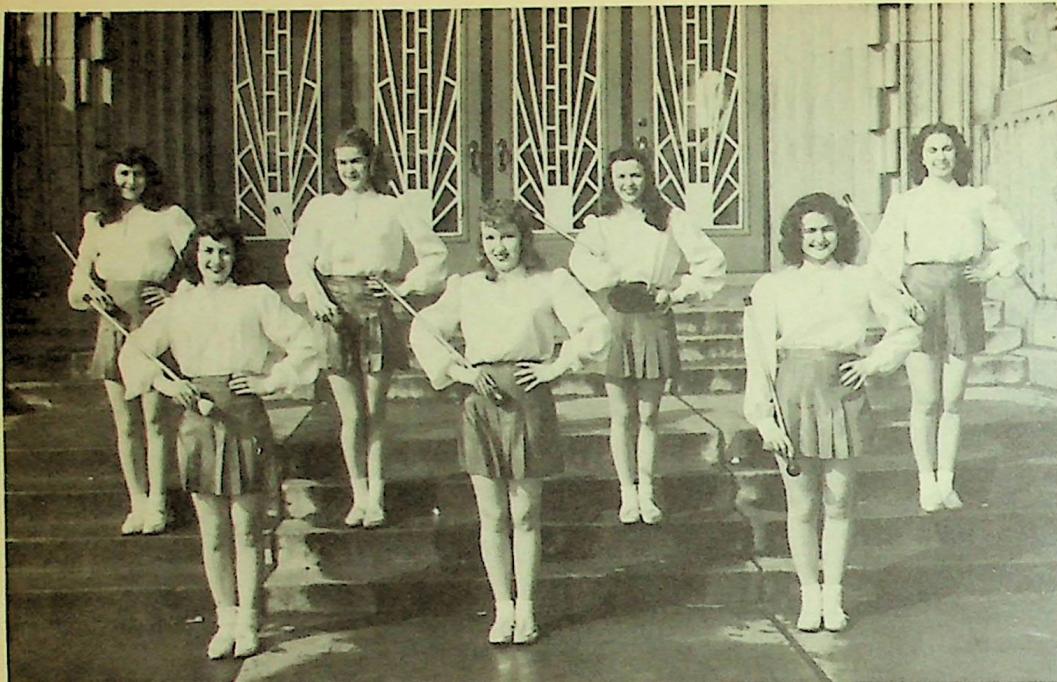

Early in March Bloom was host to the Regional Solo and Ensemble Music contest of which Director Crumb was in complete charge. Band members who entered the contest earned high division rating. First division winner was Elwood Willey, French hornist; Joan Kaczmarski, drummer, earned a second division rating.

Climaxing the year's activities was the annual spring concert, given jointly with the choral groups. A picnic gathering was the band's last affair.

Officers were Elwood Willey, student director and president; Jerry McLean, vice-president; and Jean Sedik, secretary.

RED MAJORETTES

The Bloom strutters, sponsored by Miss Leila Veazey, did their part in entertaining basketball and football fans between halves. Although the spectators were dressed warmly on the benches, the majorettes put on an eye-filling show in their red and white shorts and white blouses.

Silver batons flashed and the band played when the basketball stars rushed from the floor at the half. Their victory and star formations were neatly planned by Mr. C. Gale Crumb, their director.

They have also given their time in entertaining other schools. They visited Aurora, Calumet City, and Kankakee High Schools to twirl before the interested observers.

To climax the year they received first rating at the annual Music Contest held at Bloom this year.

CHEERLEADERS

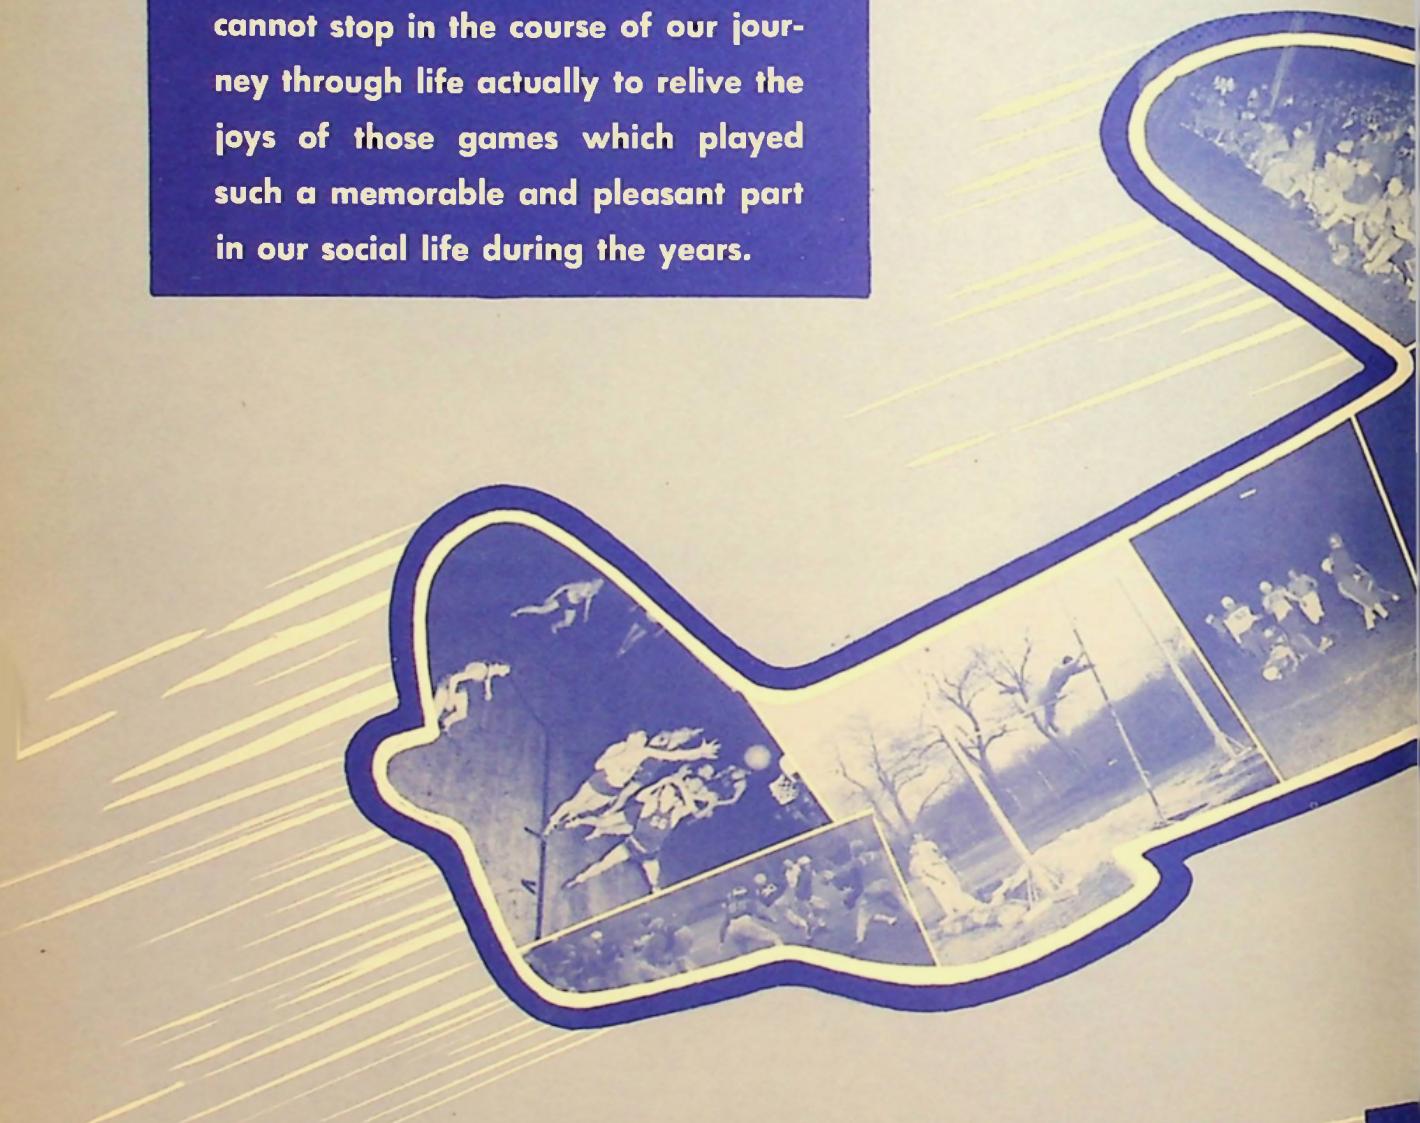

All through the past year at Bloom the cheerleaders have been busy cheering our team to victory and introducing new cheers at pep assemblies. This work needed preparation and to be sure there was a great deal done during the summer months. Every Monday night new girls were drilled to readiness for the coming football season. During the basketball season they got together and worked out an assembly featuring the cheerleaders. The theme of this assembly was the past, present, and future of America.

Meetings were held on Thursdays under the sponsorship of Miss Adelaide Jobson with Marjorie Wikstrom as head cheerleader. At these meetings the girls discussed their problems and practiced cheers for Friday night games.

In April of every year there are tryouts for new cheerleaders. Those who seem most promising were chosen to practice this summer. In August those who make the best appearance and are the most faithful are chosen.

After a year of cheerleading, the hardest workers receive letters for their good work and a new head cheerleader is chosen for the coming year. The cheerleaders are truly the morale builders of Bloom.

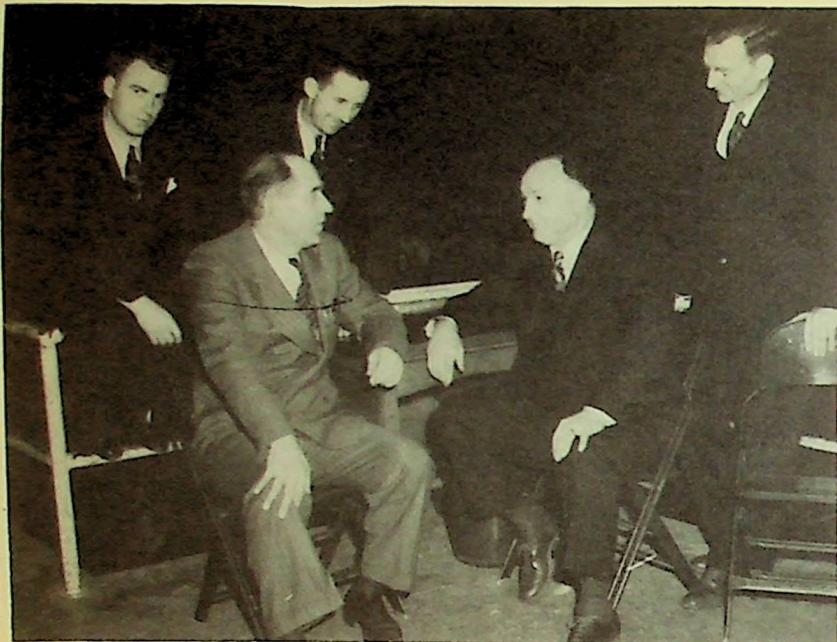

Our memories of Bloom's athletic program like those contrails that linger in the sky long after the airship has passed beyond the horizon, will linger through the years even though we cannot stop in the course of our journey through life actually to relive the joys of those games which played such a memorable and pleasant part in our social life during the years.

COACHING STAFF

Left to Right—E. L. Goff
J. D. Prombo, E. R. Nelson,
C. M. Sarff, F. W. Buchtel

Coach Prombo, Freshman and Junior intramural coach. Coach Prombo recently returned to Bloom's coaching staff after serving two years with Uncle Sam's navy. This fine coach will probably resume the coaching duties he had before he left for the service. Good luck to Coach Prombo, and may this be the beginning of a long and successful stay at Bloom.

Coach E. Goff, Junior Varsity football and Freshman, Sophomore basketball coach. Coach Goff is the newest addition to our fine group of coaches. He was replaced as Freshman-Sophomore basketball coach by Coach McCann. His J-V football team will undoubtedly produce boys who will next season see action as varsity regulars.

Coach McCann, Freshman-Sophomore basketball coach. Coach McCann returned after several seasons of retirement to the active list of Bloom coaches. He replaced Coach Goff as coach of the Freshman-Sophomore basketball team. His boys fought gallantly, but the breaks were against them, for they finished in the cellar of the South Suburban League. We are looking forward to seeing some of the McCann coached champions as of old.

Coach C. M. Sarff, Heavyweight football, basketball, and baseball teams. In the absence of Coach Prombo, Coach Sarff undertook the task of coaching the baseball team, and, incidentally, he did a fine job. During his many years on Bloom's coaching staff, Coach Sarff has produced several championship teams, thereby becoming one of the better known coaches of the South Suburban League. This was the first year Coach Sarff has not competed against Coach Jack Lipe of Thornton for Thornton has joined the Suburban League.

Coach E. R. Nelson, Track and freshman football coach. "Uncle Elmer" is the oldest member of the Bloom coaching staff. During his long stay at Bloom

he has made a remarkable record for himself. Taking time out from his numerous tasks as manager of athletics at Bloom and secretary of the South Suburban League to coach, he has produced several championship track teams and many fine football squads. During his long reign he has become a fine coach and a good friend to everyone.

Coach F. W. Buchtel, Freshman-Sophomore football, Sophomore and Senior intramural coach. He produced a Freshmen-Sophomore football team, which after a fair start came back as co-champs of the South Suburban League. Because the shortage of coaches, Intramural Coach Buchtel was forced to coach both the Sophomore and Senior intramural squads. His Senior team emerged as champion with a perfect record.

SAM PIAZZA

The 1945 Bloom football team was probably the best Trojan eleven that has ever fought for the Blue and White. It compiled a record of eight victories against only one defeat, and captured the South Suburban league championship with an undefeated record.

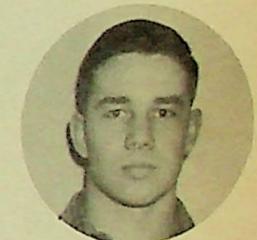

Led by Sam Piazza, who scored twice, the Trojans opened the season with a 19-0 win over Joliet. Jack Pheanis scored the other touchdown and Bill Bouma converted once.

The following week, Piazza, Pheanis, Bouma, and Sanford Senne each tallied once and Bouma added an extra point to trounce J. Sterling Morton of Cicero, 25-0.

At this point of the season the Trojan team was honored by being picked by the United Press as the "team of the week." Over-confident and much too cocky, the squad traveled to Waukegan—then returned home with a 25-6 beating chalked up against them. Dependable Piazza scored the lone Blue and White marker.

The week following their defeat, the Trojans met a fast Argo eleven captained by Johnny Karras, triple-threat back. Piazza and Karras tallied a trio of touchdowns apiece, but Bouma converted with only half a minute left in the game to give his mates a thrilling 19-18 triumph.

East Aurora became the next Trojan victim by a 20-6 margin as Piazza scored twice, Nick DeFrank once, and Bouma kicked two extra points.

JIM WEILER

Kankakee, bringing up the rear of the S. S. league, was next on the schedule. The Trojans ripped their lighter, inexperienced opponents by a 45-0 count with the following boys scoring touchdowns: Piazza, two, Joe Zaranti, Jim Baird, Chet Consorti, Joe Marias, and Bouma, one each. Bouma also kicked three extra points.

High-flying Calumet City was then defeated, 28-7 on lone tallies by Pheanis and Consorti, and a pair by Piazza. Bouma place kicked three extra points and Baird booted the other.

Blue Island, paced by Bill Driver, was the next Bloom opponent. The heavier Cardinals, however, failed to click offensively, and the Trojan eleven captured a 20-0 shutout that clinched for them the South Suburban league championship. Piazza scored twice and Consorti once, with Bouma kicking a pair of extra points.

St. Bede of Peru visited the Bloom gridiron next, bringing with themselves Ken Gorgal, quarterback, who was one of the greatest passers in prep football history. Gorgal played a brilliant triple-threat game, but the Trojans managed to eke out a 14-13 victory. Baird and Piazza scored for Bloom, and Bouma provided the winning margin with two extra points. Gorgal scored one Bruin counter, passed to Al Ivanauskas for the other one, and kicked one point after touchdown.

Thus ended one of the most successful seasons in the history of the Bloom Trojans.

VARSITY FOOTBALL

This year's varsity squad was comparatively small in that the line averaged 165 pounds. The boys made up for their lack of weight by aggressiveness and scrap. The line consisted of Chester Consorti and Emerson Davis at the end posts; Jack Folta and Howard Smith at tackles; the two spark-plugs, Bob Bove and Jim Bruno at the guard spots; and Jim Weiler plugging the center spot. The backfield consisted of Nick De Frank at quarterback, Sam Piazza and Jack Pheanis at halfback and Bill Bouma at fullback.

This was Chester Consorti's second and last season on the varsity. Last year, as a junior, he filled in the end position vacated when Frank Michalesko broke his hand. He performed capably and was again assigned to that position last fall. Chester played as end on the Freshman-Sophomore football team in his sophomore year.

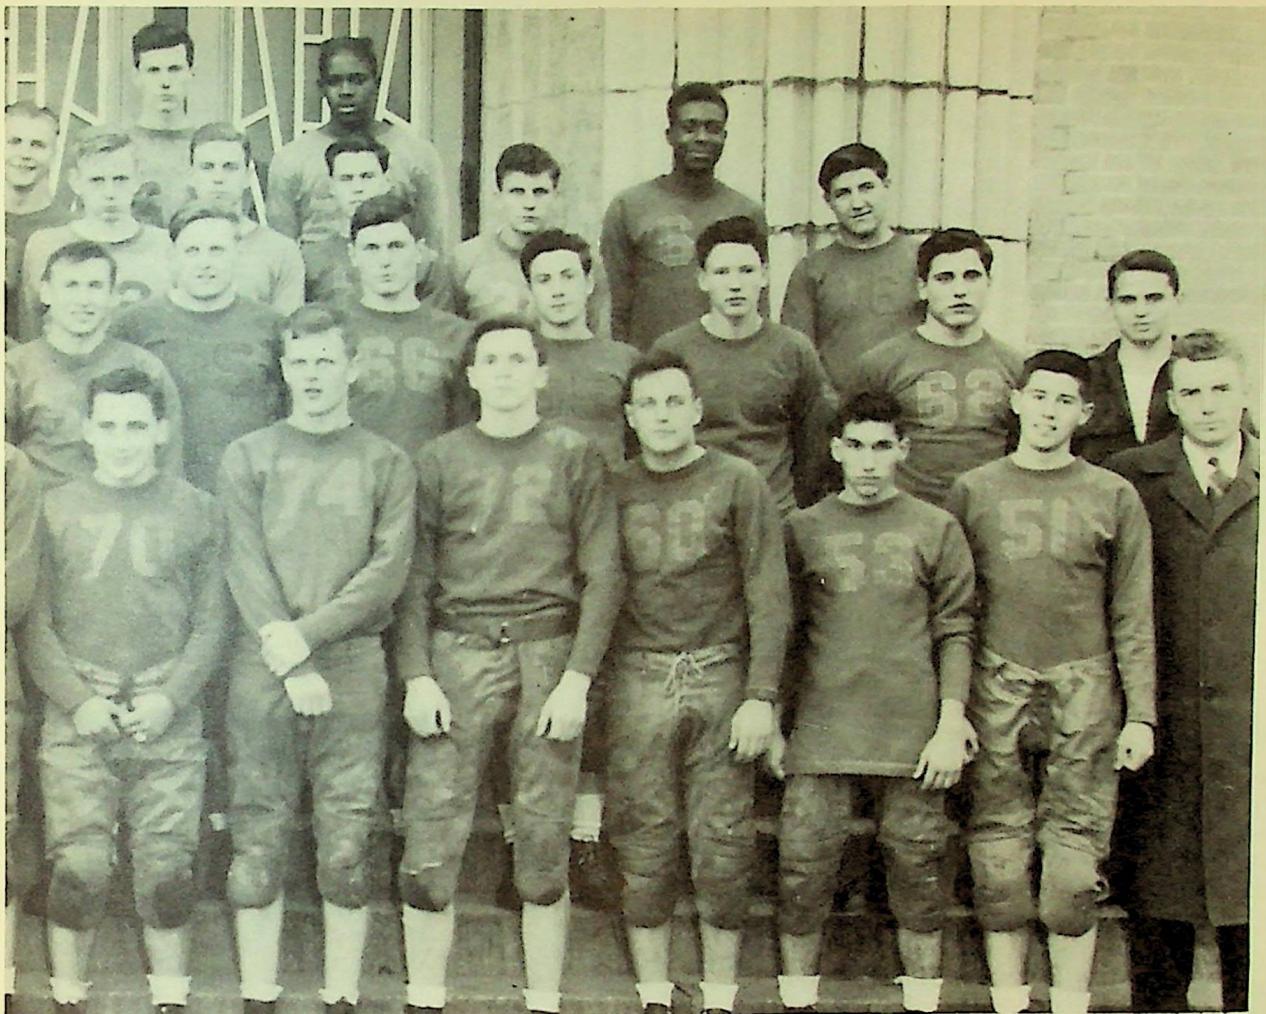

This was also the last season of football at Bloom for Emerson Davis, the other end of the varsity line. Last year he saw action in a few of the games as a reserve end. Last fall he stepped into a starting

role. Emerson played end on the Frosh-Soph team as a sophomore, but was sidelined with an injury.

Jack Folta, along with the others, has played his last game of football for Bloom. He was among the several returning starting lettermen back this fall. He was used as a tackle during his junior year. Beginning his football career on the Freshman team, he was used as a tackle in his sophomore year on the Freshman-Sophomore team. Jack was chosen as All-S. S. tackle.

Howard Smith was the surprise of the year. A year ago he showed no signs of being the vicious tackle he turned out to be. Howard, also a senior, was a reserve last season and the year before on the Frosh-Soph team. At 195 pounds he was the biggest lineman on the team.

Bob Bove, one-half of the guard twins, is one of the two varsity players who will return next fall. As a sophomore he won the distinction of being first string guard. Naturally he again won this position last fall. He played in the backfield on the Frosh-Soph team in his freshman year. He was chosen all

S. S. guard. We should hear a great deal from this lad next fall.

Now for the other half of the guard twins, Jim Bruno. Jim is a senior. He was another of the returning lettermen from last year. As a junior he rounded out the guard spots with Bove. He, along with Bove, made opposing backfield men feel disgusted.

Rounding out a hard-hitting and well-balanced line is the center and co-captain Jim Weiler. A year ago he was chosen all-South Suburban League center, and this year he again had this honor bestowed upon him. Through his aggressiveness and spirited play he became one of the best centers in this area.

Nick DeFrank is the only other junior on this year's varsity squad. He, along with Bob Bove, will see plenty of action next fall. For the last season he has played a lot of quarterback for Coach Buchtel's Freshman-Soph squad.

Jack Pheanis, right half-back, had the misfortune of injuring a knee, which kept him out of action

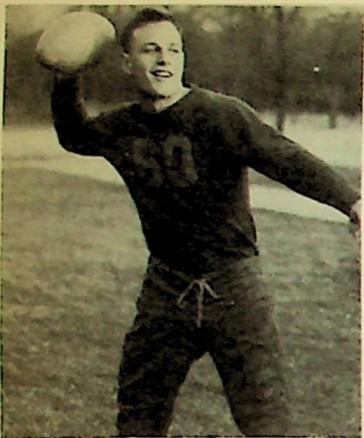

quite a bit of the time. Last year was his first year at Bloom. As a junior he alternated at the quarterback spot. This fall he was switched to half-back.

Bill Bouma, fullback, is another of last year's boys. He did most of the team's kicking. Last season, as a junior, he alternated at halfback but was switched to fullback this season because of kicking ability.

Rounding out this excellent team is the spark plug, the left half back and co-captain, Sam Piazza. Sam is the second boy in Bloom history to be selected on Pat Harman's All-State teams.

In addition to the aforementioned "starters" the following boys saw enough action to win varsity letters:

Joe Marias and Mat Sobut, ends; Paul Godowic and Lou Thomas, tackles; Lou Capacasa and Art Manthey, guards; Jim Baird, quarter back and No. 1 forward passer on the team; John Guidotti, center; Mark Fisk and Herman Santucci, fullbacks; Bob Filippi, Lou Pignotti, Ambrose Virgo, and Joe Zaranti, halfbacks.

The 1945 Freshman-Sophomore football team, under the guidance of Frank W. Buchtel, compiled a creditable record of three victories, four defeats, and one tie. An unusual sidelight of this record is that all four setbacks resulted from non-conference tilts. In South Suburban league competition the "Little Trojans" were undefeated, although they tied once. They also finished in a deadlock for first place with Blue Island in the F-S division of the league.

The Buchtelman opened their campaign on September 14 against Joliet's Steelmen on the local gridiron and were defeated, 7-0, when Vic Fuse scored for the visitors late in the final period.

A week later, the F-S eleven was beaten by J. Sterling Morton, 13-7; Ken Knorr scored the lone Bloom touchdown in the second period, and Bill Schramm place kicked the extra point.

The following Friday, the "Little Trojans" traveled to Waukegan and suffered their third straight loss 7-0, when the host eleven scored on a fourth down.

On October 4, the Buchtelman won their first game of the season. Argo, their first South Suburban league foe, was victimized, 14-0, on the Starch City field. Knorr and Jauncey Sweet scored the touchdowns, and Bill Schramm converted twice.

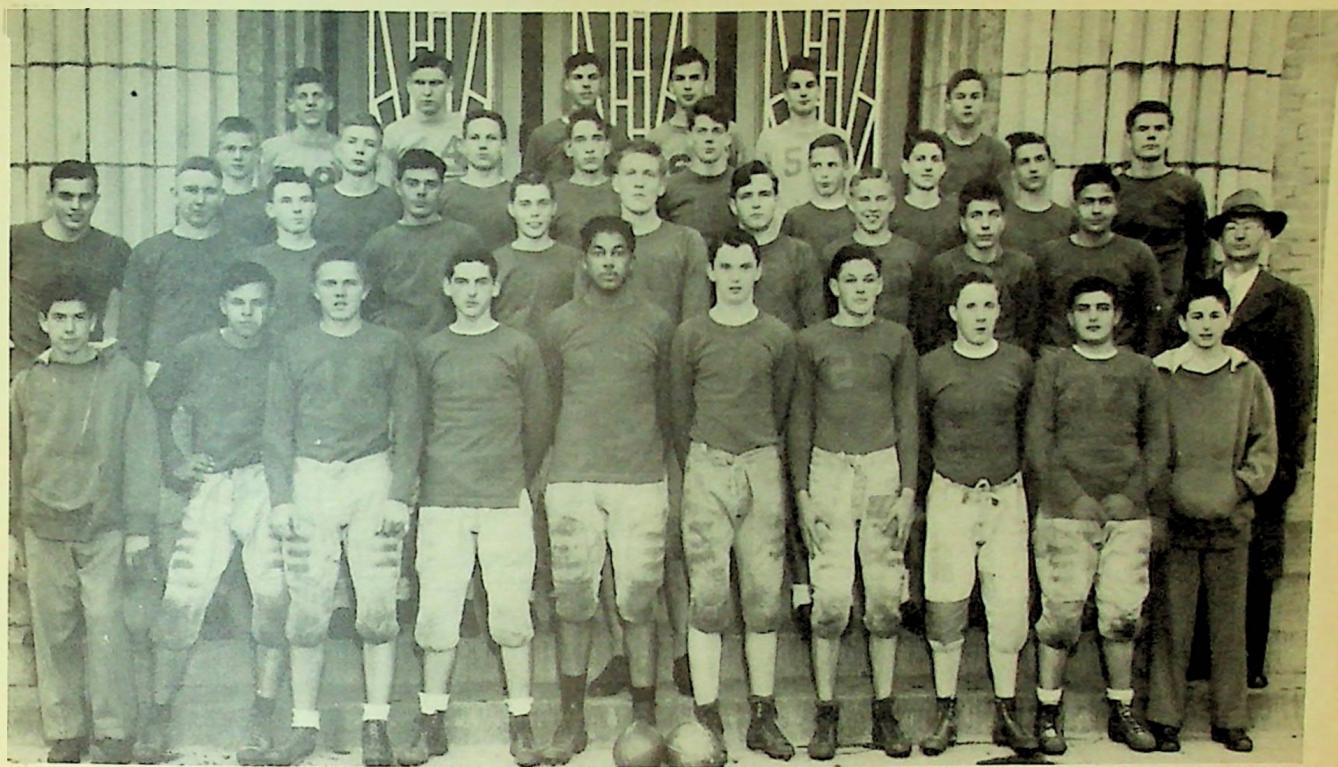

In their next contest the Frosh-Sophs suffered what later proved to be their final defeat of the year. East Aurora, the home team, was the victor by a 7-6 margin. The lone Bloom counter resulted from a 10-yard pass to Dick Weiler. Bill Schramm missed his conversion this time, however, and failed to tie the score.

Kankakee, No. 2 on the "Little Trojans" conference slate, was then routed, 27-13, on October 18 in Chicago Heights. Dick McCollum scored twice for Bloom, once on a 40-yard jaunt after taking Al Hlavach's lateral. Don Wehling and Weiler each scored a touchdown apiece, and Bill Schramm tallied on three out of four extra point tries.

On October 25, Thornton Fractional of Calumet City was trounced, 20-6, on the Heights field as Wehling, Knorr, and Captain Gene Mruk scored a touchdown apiece and Bill Schramm added two points after touchdowns with place kicks.

In their season finale, the "Little Trojans" battled Blue Island's "Little Cardinals" to a scoreless tie on the Bloom gridiron on November 2, and wound up in a tie for first place in the loop. In the last quarter, a forward pass netted what at first appeared to be the game-winning marker, but a backfield in motion penalty nullified the touchdown and left the score 0-0.

FROSH-SOPH FOOTBALL

When Coach Frank W. Buchtel gathered his 1945 Frosh-Soph football material together last fall, he had only one veteran letterman back from the preceding season. That lone gridder was Tommy Schramm, who had earned a minor "Little Trojan" B in '44 as a reserve center.

Coach Buchtel, however, built a strong team out of the material he had, as he helped develop many boys who had been taught their football fundamentals by Coach Elmer R. Nelson as freshmen.

Center Schramm held down the No. 1 spot at the pivot post with John Bilinski; sophomore, his main understudy. Freshman Jim Lucas also saw action in the middle of the line, thereby gaining valuable experience. Emil Felicetti and Bob Barnick, both sophs, were the regular guards, and Freshie Louis Simone was the best of a trio of reserves that also included George Manthey and Charles Vavrus. At the tackle spots were big Warren Siebert and Art Botschen; George Teverbaugh, ice cream eater first class, and Allen Johnson also saw considerable action at position and proved to be valuable linemen. Joe Costello, too, was a tackle aspirant and saw some service.

The starting ends were pass-catching Dick Weiler, whose brother, Jim was a varsity stand-

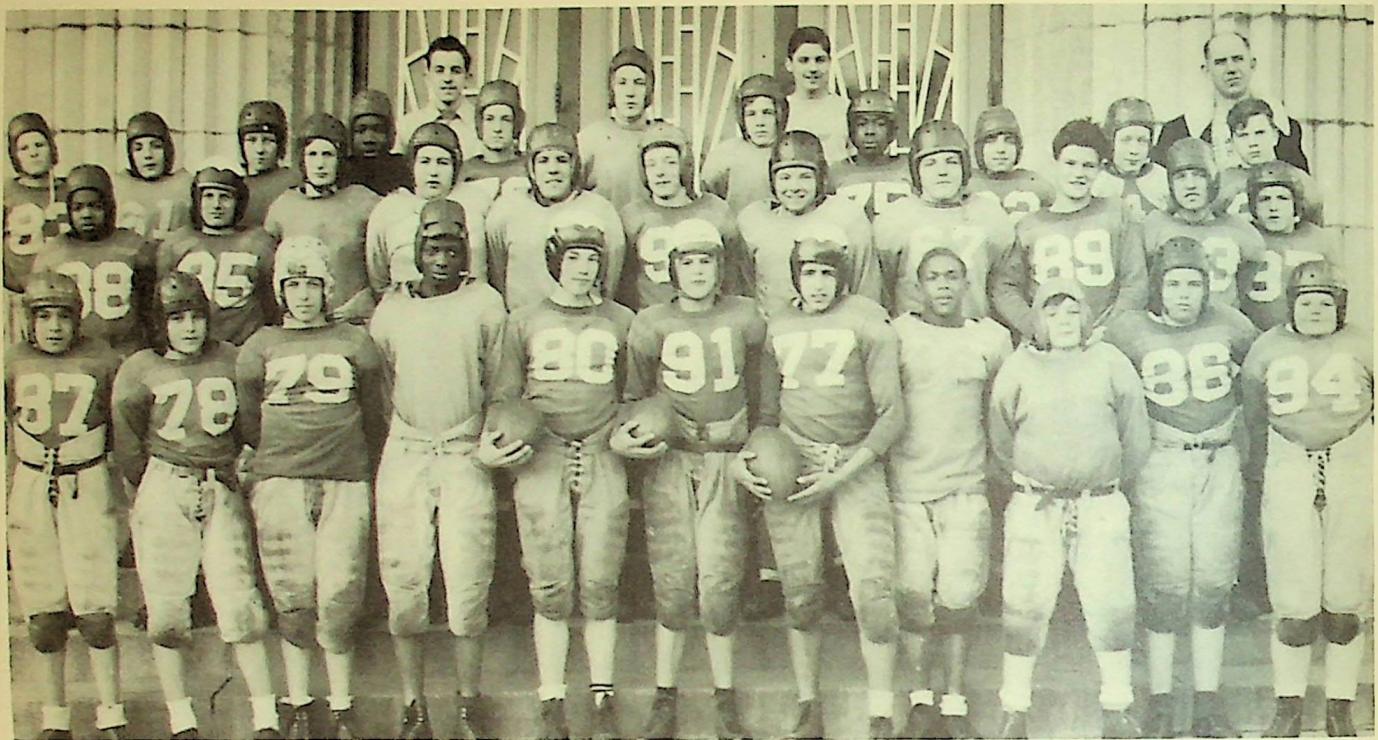

out, and short, stocky Bill Sweeney. Keith Stelter also saw considerable action as a wingman, with Walt Baselt ranking next in line.

In the backfield, Captain and Fullback Gene Mruk was the top man. He handled the team's punting and was a standout on both offense and defense. Although he scored but one touchdown all season, he gained valuable yardage and also racked up numerous first downs thereby setting up plays which enabled the speedy halfbacks to score. The reserve fullbacking was capably handled by Dominic "Mimi" Faleschetti.

Albert "Fouko" Hlavach and place-kicking Bill Schramm, Tom's brother, divided the quarterback chores. The latter did all of the team's extra point-kicking and converted eight times in eleven tries. Tommy O'Neal, freshman, gained considerable experience as a utility man at this position.

Ken Knorr, the team's leading scorer with three T. D.'s; Dick McCollum, nifty open field runner; and Don "Doc" Wehling, hard-driving sophomore, did their ball-carrying from the half back spots, along with Jauncey Sweet and Freshman Bryce Reeve.

Reeve and Simone were the only freshmen who won major F-S letters for the '45 campaign. O'Neal and Lucia qualified for minor B's, but will definitely be heard from in 1946.

FRESHMAN FOOTBALL

The little Bloom "Freshies" coached by Coach "Uncle Elmer" Nelson, did fairly well for themselves this season. They started the season with a 12 to 0 victory over the Crete team. The next game, against Morgan Park Military Academy, was a thrill-packed affair. Bob Martin, quarterback, received the kickoff and ran eighty yards for the first touchdown of the game. In the closing minutes of the game the Little Trojans were behind 12 to 6. From deep in his own territory Sam Roberts, left half back, ran some 150 yards before scoring the second touchdown for the Bloom team, making the final score 12 all. The "Freshies" then lost a hard-fought battle to a big J. Sterling Morton team 12 to 6. In their next encounter the little Trojans suffered their second loss of the season to Roosevelt of Gary 13 to 0. In the final game the boys were just nosed out by a big and powerful Blue Island team 7 to 6.

Thus they finished the season with one victory, one tie, and three defeats. The starting line consisted of Young and Basile at the end posts, Todd and Anderson at the tackles, Christofanelli and Ruks at the guard spots, and Gentleman at the center spot. The backfield was made up of Martin at quarter back, Roberts and Borgia at the half-back positions, and Spears at the fullback spot. Other boys who saw action were: Espinosa, Guidotti, Rosetti, Smith, Smitchger, Cooper, Hall, Ruggeri, and Schmeckpeper.

Although these boys were out-weighed in almost every game, they fought gallantly against all odds. We expect to hear a great deal from some of these boys in the remainder of their four years on the Bloom gridiron.

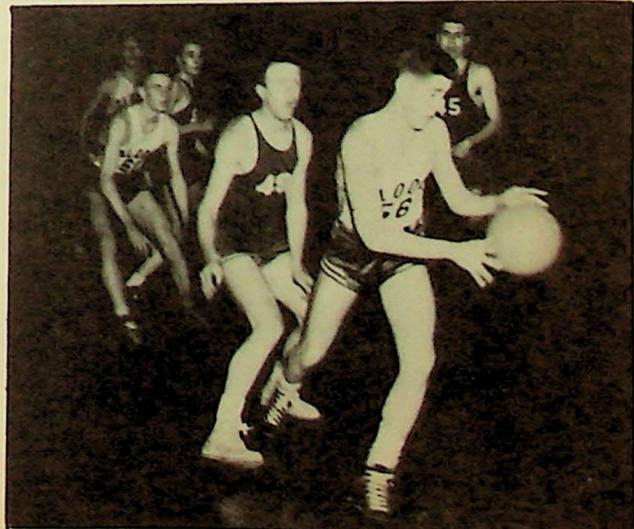

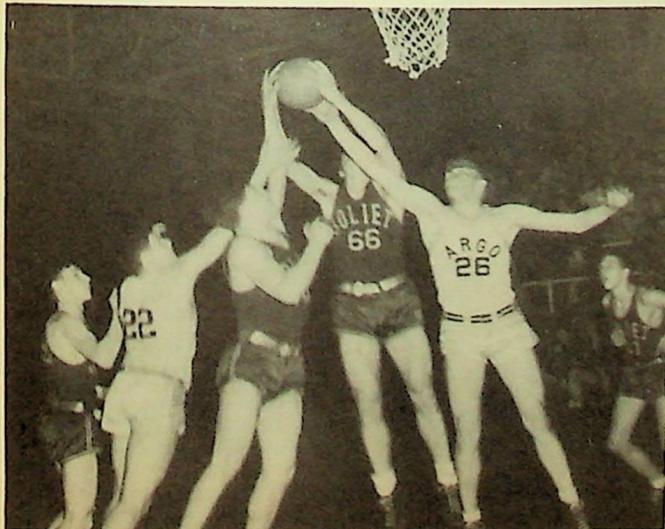

VARSITY BASKETBALL

This season was perhaps the worst in Bloom's history. The boys had a lot of bad luck. It seemed that everytime they played someone, that particular team was "on" that night. The basketball team began with all fine men of the first team back from last season. The only boys lost from last season were Arnold Palanca and Jim Weiler. The line-up for the first game was: forwards—Mark Fisk and Jim Baird; center—Milton Schlemmer; guards—Sam Piazza and Bill Bouma. This combination was short-lived with the mid-year graduation of Captain Piazza. The loss of Sam, backbone of the team, was felt greatly at mid-season.

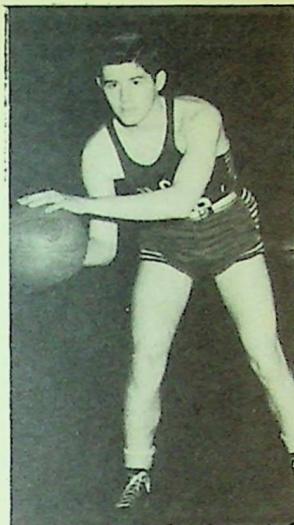

The Varsity five started the season with a victory over Lockport. They then suffered two defeats by Blue Island and Calumet City. They drew Bradley as a first round opponent. The sharp-shooting of the small-town boys proved to be too much for our boys, as they were crushed 67 to 36.

Then the boys won their second game by defeating Fenger, 41 to 20. They were then in for a long succession of defeats. The first was administered by Argo. The boys then lost a heart-breaker to Hyde Park, 43 to 42. There followed defeats by Kankakee, Lockport, Joliet, Blue Island, South Shore, and Calumet City. Then came the team's third and final victory of the season. Argo, handicapped by the loss of their scoring ace, John Karras, was the victim. The Trojan five dealt Argo a 47 to 36 spanking.

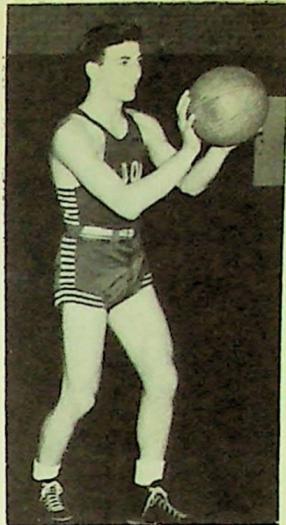

Next came another defeat by Kankakee. The Kays handed our boys a 45 to 35 set back. The regular session ended with a heart-breaking defeat. The Trojans were leading Tilden with less than thirty seconds to play when Nick Kladis made a 30-foot push shot to win the game for Tilden, 46 to 45. Tilden, incidentally, was the City Champion this year and was Chicago's representative in the state tournament.

FROSH-SOPH BASKETBALL

With only one major letterman—Captain and Forward Albert Hlavach—returning this season, the Bloom Freshman-Sophomore basketball team suffered from inexperience and won only four games while losing eleven. Hlavach led the "Little Trojans" in scoring for the season with 105 points. Tommy Schramm was second with 84, followed by Bob Lueder, 56; Bill Welsh, 47; Peter Coppa, 34; Bill Schramm, 23; Warren Siebert, 9; Dick Weiler, 8; and Freshman Bryce Reeve, 6. Other squadmen who saw action this year are Gene Farina, Jim Clark, and Freshman Sylvio Piattoni.

The 1945-46 season started with Mr. Edward Goff coaching the F-S five, but history teaching duties forced him to relinquish his post to Mr. Hadwin McCann after the first six games.

In their first game on December 7, the Goffmen were defeated by Lockport, 34-16, as Lueder led the losers' attack with six points. In their next tilt, Hlavach scored six baskets to take scoring honors, but Blue Island's "Little Cardinals" won, 30-28, after leading, 24-9, at halftime. A week later, Calumet City hung setback No. 3 on the Bloom quintet by a score of 28-18. Hlavach topped the Blue and White in scoring with six points.

On January 5, Fenger's Junior five visited the Heights court to spill the "Little Trojans" by a 29-22 score. Welch's nine joints were high for the losers. The following week, the four-game losing streak was snapped with a 24-22 triumph over Argo. Hlavach again was high point man for Bloom with nine tallies.

Hyde Park's Junior team was next to fall, as

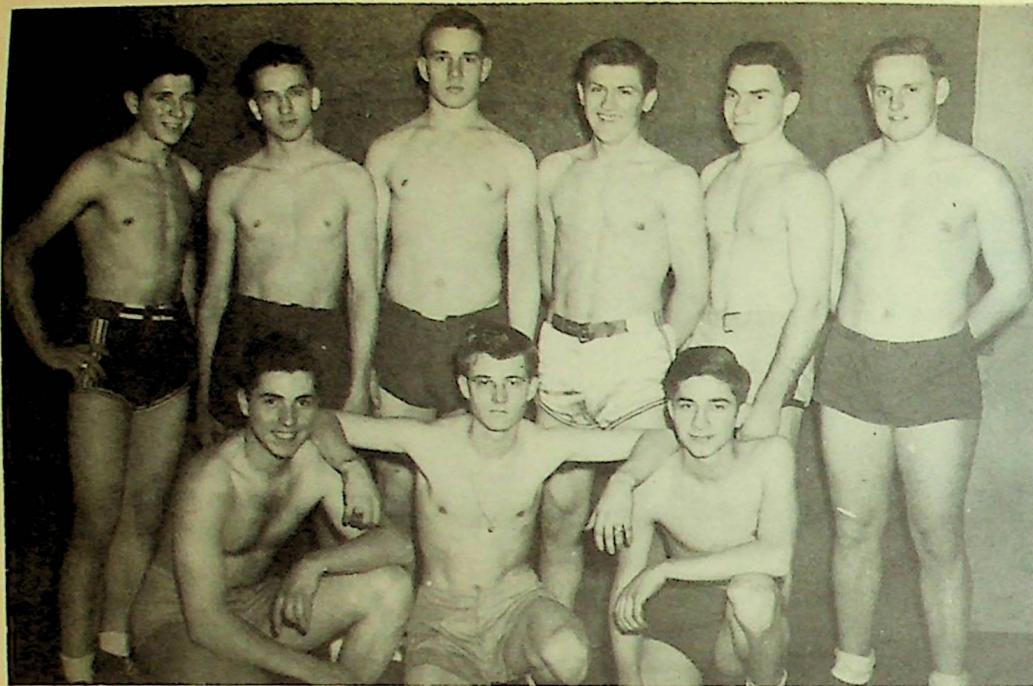

Hlavach once more paced the Bloom offensive with ten points. After their second win, the F-S cagers suffered a pair of defeats, 37-27, to Kankakee and, 41-39, to Lockport. Tom Schramm counted four baskets against KKK, while Coppa hit for 11 points in the Porter tilt. The day after the Lockport game, Hlavach paced the "Little Trojans" to a 24-22 win over Joliet's Steelmites by scoring 13 tallies.

Three defeats, however, soon followed triumph No. 3. Blue Island won, 28-22, despite Hlavach's 13 points; South Shore took a 42-31 decision as Tom Schramm racked up six goals and a free shot; and Cal City routed the McCannmen, 33-16, while Hlavach was connecting for three baskets.

For the second time in the season, Argo was defeated, this time by a 26-25 margin, for the "Little Trojans" final victory of the year. Hlavach was "high man" with four field goals. Kankakee then smashed out a 45-18 win over Bloom as Bob Holz scored enough points (20) to beat Bloom alone. The Kays led 25-7 at the half. Hlavach was high point man for Bloom with eight markers.

In the season finale, Tilden Tech of Chicago tripped the McCannmen, 33-26. Tom Schramm scored 13 points and Welsh counted six.

The "Little Trojan" five rolled up a total of 372 points in their 15 contests for an average of 24.8 per game. Their opponents totaled 482, averaging 32.13 a game. Bloom's highest single game total was 39 against Lockport; their opponents' high score was 45, made by Kankakee in the Kays' 45-18 routing of the Blue and White.

The Freshmen then lost two games to Joliet and one to the Crete freshman-sophomores before they finally edged out a victory over the Washington School team. The Freshman squad ended their season with a record of two victories and four

defeats in out-of-school competition. In the Intramural League they were forced to go through the entire six-game schedule without a victory.

Mr. Prombo's little Freshman team was composed of: Nick Faso, Bill Hansen, Tom O'Neal, Salvatore Cionchetti, Louis Pizzimenti, Jack Stemberger, Jerome Gettlemen, Dena Maurizi, Harold Fuller, Tony Dorazio, Bill Paulson, Don Lange, and Richard Graziani. We expect to hear a great deal from several of these boys on next year's Freshman-Sophomore team.

Coach "Elmer" R. Nelson

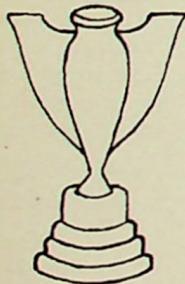

The 1946 Bloom track season was a memorable campaign for Coach Elmer R. Nelson, for it marked his twenty-fifth year as a Trojan mentor. "Uncle Elmer," who is the only high school coach in Illinois who has weathered as many as 25 seasons as mentor of the same team in the same school, started his coaching career at Bloom 'way back in 1922—and what a start he did have! Only five of the 536 students in school reported for that Trojan track team—the first such team in the school's history. That meager five-man squad of '22, however, has now grown, under Coach Nelson's able guidance, into a team that often reaches 200.

During those first few years, Bloom tracksters did their training on a quarter-mile track that "Uncle Elmer" had personally laid out on what is now the freshman football team's practice field. Hurdles for that season were built by Mr. W. P. Dyer. Four years later, the present cinder path was constructed to accommodate the sport which was then gaining more followers and attracting more interest.

In his college days, "Uncle Elmer" was a three-sport standout at Illinois Wesleyan. For four seasons he was a varsity griddler, playing center and guard. He also caught and played the outfield for the baseball team and threw the discus for the track squad. In "smaller meets" he emphasized his versatility by pole vaulting and running the hurdles and the half-mile.

With so many achievements already to his credit, Coach Nelson can look back over his coaching career and be sure that his Trojan teams—and his 25 years at Bloom—are something to be proud of.

For the first time in five years the 1945 Bloom track team returned from the district meet at Kankakee without first place honors. Had they accomplished this feat, they would have been the first school in Illinois to cop the District title five years in succession. They had to be satisfied with fifth place because of a bad break in the relay. The point-getters on the 1945 squad were: James Sims, dashes, weight, relay; Bill Bouma, dashes, hurdles, relay; Herman Santucci, dashes, weight, relay; Sam Piazza, dashes, broad jump; Ken Turner, quarter mile and relay; Maurice Strandberg, Bob Scheid and Vern Long, mile; Mark Fisk and Paul Christofanelli, pole vault; Mathew Sobut and Don Johns,

high jump; Don Filips and Sam DiGiovanni, high hurdles.

The boys made short work of Joliet and Crete in the season's opener. The opponents proved no match for the Trojan onslaught. The Bloom thin-clads piled up 100 1/2 points for their highest total of the season.

Next the Trojans met their first South Suburban foes, Cal City and Kankakee, in a triangular meet on the Bloom track. After a nip and tuck battle all the way the Bloom lads finally pulled away from their opponents to chalk up another victory.

The Trojans then traveled to Blue Island to help them inaugurate their new track. For the past

twenty-three years, they had never had a track of their own. The Blue Island team, sparked by the fleet-footed Chuck Peters, proved to be too much for the Trojans. This was the first set-back of the season. The Trojan squad then ventured to Kankakee to try to capture the district crown for a new state record. The boys were not up to par and had to be satisfied with fifth place.

In the annual duel between Bloom and Thornton, Bloom was forced to surrender the much-coveted Helfric Cup to its arch rivals.

The boys who made the best record for the season in their particular event were honored by having their names placed on a shield in the gym.

Those boys whose names were entered this year were: 100 yard dash—James Sims, 10.4; 220 yard dash—James Sims, 23.2; 440 yard dash—Ken Turner, 53.7; 880 yard run—Bob Fitzner, 2 min. 8.6 sec.; low hurdles—James Sims, 24.2; high hurdles—Don Filips, 17.9 sec., discus—Herm Santucci, 119'9"; shot put—Herm Santucci, 39'8"; high jump—Don Johns, 5'4"; broad jump—Sam Piazz, 20'1/2"; and the relay team composed of Sims, Turner, Santucci, and Bouma clipped off the 880 yards in 1 min., 3.9 seconds. Although these boys were defeated in the district, the majority of them returned during the 1946 season to try to re-capture the title for their beloved friend and coach, "Uncle Elmer."

JUNIOR TRACK

Junior track completed its last season under that name in 1945. Beginning with the 1946 season there was no junior track; it became Freshman-Sophomore track. The little Trojans did not fare so well during the 1945 season. They were victorious in two out of six meets. Although they did not do so well, the juniors had several fine trackmen.

In the season's opener the little Trojans defeated Joliet and Crete, although Crete competed in only a few events. The next meet proved to be their second and last victory of the season. They then suffered successive defeats by Calumet City, Blue Island, and Thornton, besides the South Suburban.

High point man for the juniors was Terry Maz-

zocco, with Dick McCollum and Ben Damiani close on his heels. Shield records were: 50 yard dash—Terry Mazzocco, 6.1 seconds; 100 yard dash—Dick McCollum, 11.1 seconds; 220 yard dash—Dick McCollum, 24.6 seconds; 660 yard run—John Folta, min. 34.1 seconds; low hurdles—Lowell Hinze, 13.9 seconds; discus—Joe Marias, 113'4"; shot put—Joe Marias, 44'10"; pole vault—Ed Seeley, 9'2"; high jump—James Washington, 5'; broad jump—Terry Mazzocco, 19'2"; and the relay team comprised of Hinze, Damiani, and McCollum ripped off the 440 yards in 50.8 seconds. Many of these boys were gladly welcomed into the senior division in the 1946 season.

The baseball squad was taken over by Coach Cecil M. Sarff when Mr. John D. Prombo left for the Navy, and continued under his guidance during the 1945 season. Coach Prombo, however, resumed his duties as baseball pilot when he returned from the service. With only four returning lettermen the Trojan nine began its '45 campaign by defeating Joliet, 8 to 3. The only seniors on the squad were Pitchers Steve Kotesa and Ted Spyra, Outfielder Bill Nosal, and Third baseman- Outfielder Arnold Palanca. The remainder of the squad was made up of underclassmen, all of whom will see plenty of action in other seasons. Among the underclassmen who won starting berths on the nine were: Ambrose Virgo, midget first-sacker; Jerome Baranski, freshman second baseman; Bob Simonetti, hard-hitting shortstop; Louis Pignotti, third baseman and catcher; Jerome Baron, slugging centerfielder; John Zarlengo, left fielder; Willard Larcher, right fielder; Jimmie Baird, catcher; Joe Voltattorni, pitcher; and Gene Mruk, freshman backstopper.

Trojan nine came back the next day to beat Washington of East Chicago, 7 to 6, in an extra-inning battle. The boys suffered their first defeat at the hands of a strong all-veteran Thornton nine, highlighted by Pitcher Jacobs. Jacobs defeated Bloom, 5 to 1, with a three-hit performance. The Trojans then met and defeated their second South Suburban league foe, Blue Island, to give them an even standing in the league. This record, however, was soon marred. The next game turned into their next defeat as they bowed to Argo, 6 to 5. The Bloom nine then made up for that setback by mauling the Cadets from Morgan Park Military Academy, 9 to 4. The highlight of this game was a four-run home run by Centerfielder Jerome Baron. In a return engagement with the Blue Island Cardinals, the Trojans scored a 2 to 0 victory as Ted Spyra pitched a brilliant three-hitter.

Later the Trojans were eliminated from district play by Morgan Park Military Academy, 6 to 5. In the final game of the season, Bloom avenged its 6 to 5 setback to Argo by defeating the Argonaut nine, 9 to 5.

BOYS ADVANCED BOWLING CLUB

The Advanced Bowling Club met each Thursday at the Bowl-Aire. The Scroggs nosed out the Four Aces to take first place with a one game margin. Just three games behind the leaders were the Trojans. The standings showed the following teams behind the Trojans: The Faculty, Bobcats, Scavengers, Lucky Strikes, Atomic Four, Bullets, Gutter Kings, Gutter Burners, Guttercats. The team high series was copped by the Scroggs with 2121. The Trojans were second with 2120.

The individual high score was rolled by Charles Sanfratello of the Trojans with a three-game total of 629. Close behind him was the Bobcats' Phil Nelson with 611. John Zicardi's 584 was third.

The individual high game was also bowled by Charles Sanfratello, with a total of 244 pins. Mike Bruno and Wally Pytel tied for second with 226. Mr. Zacher rolled a 225 to take fourth place. Phil Nelson's 171 average was tops for the league.

The winning team was composed of Sidney Hills, Edwin Toll, Bill Wilczynski, and Willis Lloyd. The runner-up Four Aces was composed of Ray Schociski, Dick Josica, Don Koweski, and Don Kwasigroch. The third place Trojans was made up of Charles Sanfratello, Mike Bruno, John Zicardi, and Al Renda. The competition in this league was keen, as may be seen by the close standings.

BOYS BEGINNING BOWLING CLUB

The beginners bowled for twenty weeks, meeting each Wednesday from four to six p.m. at the Bowl-Aire alleys. Although they are called beginners, several of these boys have shown enough skill to compete in the regular club. The season ended with the Hungry Millers on top by six games over the Kittens. There followed in succession the Mautza Maulers, Moldy Morons, Gutter Kings, and Lucky Strikes. The Hungry Hillers also copped high team series with 1759, and the Mautza Maulers were second with 1677 with the Gutter Kings close behind with 1627.

The individual high three game series was made by Ted Adams, who rolled a 529. Second was

Ronald Canali with a 502 series. The individual high game was 209 and was rolled by Albert Zona. Close behind him was Marvin Quinell with 206. Panici of the Mautza Maulers was third with 195. The members of the firstplace Hungry Hillers were Carl Rufo, Ronald Canali, Albert Zona, and Norman Palanca.

The second place Kittens consisted of R. Cox, T. Cleator, W. Schultz, and E. Engelhardt. The third place Mautza Maulers, who dropped out of the league in the middle of the season, consisted of: Jim Bruno, Sam Di Giovanni, Phil Panici, and Bob Mikuta. These boys provided a lot of competition for each other and all the boys had a lot of fun.

G.A.A. BOARD

All year the Girls Athletic Association has been carrying on activities for the sports-minded girls of Bloom. Starting with badminton and archery in the fall, the girls followed a program which included volleyball, basketball, and ping-pong tournaments.

In addition to these activities the G.A.A. members held a Play Day in October which was attended by eight surrounding schools, sold candy at a football game, went to a Splash Party at Thornton, and took part in the G.A.A. bowling and basketshooting contests. In September the G.A.A., in collaboration with the Girls League, gave a party for all freshman girls.

G.A.A. officers this year were Margaret Showalter, president; Barbara George, vice-president; Jo Ann Cornet, secretary; and Elaria Damiani, treasurer.

The purpose of the G.A.A. is to create an interest in girls' athletics. The organization emphasizes good sportsmanship and good health rules.

Archery was supported enthusiastically in the fall. Practice was held almost everyday after school when the weather permitted. It was also held during the regular gym periods for the girls who wished to shoot when the weather was permissible. On the bulletin board in the girls' gym was an archery poster on which the names of the girls who had made certain meritable scores were recorded. The scores ranged from 135 to 270 for a total of thirty-six arrows.

Badminton has become one of the popular sports here at Bloom both after school and in the gym classes. Although badminton was played in the early fall, the real season started in the spring. Seniors, juniors, sophomores, and freshmen participated after school on their designated nights.

The biggest event of the season for the after school players was the Preliminary Tournament. First of all, each class had its own tournament to determine the class champion. Then the class champions played off. At the end of the season badminton ribbons were awarded to the school champion, the class champions, and also the girls who had a perfect attendance record.

SENIOR VOLLEYBALL

Volleyball and basketball constitute the major part of a girl's sport life at Bloom. This past year the seniors met on Thursday night with Miss Jobson in charge of volleyball and Miss Véazey coaching basketball. With Martha Saccutelli as volleyball manager, Ernestine Wade and Isabelle Martire were chosen as the captains of the Preliminary Tournament teams. Ernestine Wade's team came out on top with the score 25-12. Capable seniors chosen for the All-Star team were M. Bross, D. Duensing, K. Galvin, L. Long, R. Luzi, I. Martire, M. Saccutelli, B. Schofield, M. Showalter, H. Strong, G. Voigts, E. Wade, and S. Wright (captain).

Senior All-Stars made a fine showing in beating the juniors and sophomores for first place. Sixteen girls received perfect attendance ribbons.

Betty Schofield was chosen senior manager for basketball activities. Those chosen for the basketball All-Stars were M. Bross, D. Duensing, N. Kappmeyer, R. Luzi, and R. Reeve as forwards with M. Damiani, B. Schofield, M. Showalter, H. Strong, and G. Voigts as guards.

JUNIOR VOLLEYBALL

Anyone visiting the girls' gym after school on Wednesday night was assured of witnessing some fast and thrilling action, for that is when the Juniors held their volleyball and basketball practice.

Many enthusiasts turned out for volleyball which has proved to be one of the most popular sports for the athletes of the fairer sex. Shirley Osterberg managed the juniors while Miss Jobson acted as the volleyball coach. In a three game class tournament Theresa Mormiles' high-scoring team came out on top. The All-Class tournament proved to be hectic for the juniors, however, since they came in last losing to both the seniors and the sophomores. Twenty-seven girls got perfect attendance ribbons.

Although the turnout for basketball wasn't large, the juniors developed several well-balanced, sharp-shooting teams. Mildred Soldano was elected manager to assist Miss Jobson. In the preliminary tournament Barbara George's team won the laurels. An All-Star team composed of six forwards and six guards was chosen to play in the tournament. In the National Basket shooting Contest, Barbara George made Bloom's highest record with a perfect score.

SOPHOMORE VOLLEYBALL

Occupying the girls gym on Tuesday after school during the year were the sophomores with volleyball in the fall and basketball after Christmas until April. In the Preliminary Sophomore Volleyball Tournament, Lillian Damiani and Mary Jo Johnson's team took top honors with Jo Palcek's team coming in second. Ruth Hesemann's and Lillian Young's teams took third and fourth place, respectively. The sophomores were last in the All-Star Volleyball Tournament. Out of the forty-one sophomore girls who came out for volleyball, thirty-one received perfect attendance ribbons.

During basketball season, the average sophomore attendance was about thirty, with Norma Gerardi managing the class activities. Four teams were organized with Eleanor Benjatka, Elaine Cameli, Rosemary Cipolla, and Pearl Delehoy as captains. In the Preliminary Sophomore Basketball Tournament the standings were as follows: Eleanor Benjatka's team, first; Rosemary Cipolla's second; Elaine Cameli's, third; and Pearl Delehoy's fourth. In the All-Girls Preliminary Basketball Tournament the sophomores were beaten by the juniors in an exciting game. Out of the thirty sophomore girls who came out for basketball, twenty received perfect attendance ribbons.

FRESHMAN VOLLEYBALL

On Monday nights after school, under the direction of Miss Adelaide Jobson, the girls' gym has been ruled by freshmen. During the first semester a total of seventy-two girls played volleyball. Fifty-three of these had perfect attendance. The manager was Lois Osterberg. The tournament was long and very heated. Six teams, whose captains were Dolores Vazales, Regina Santori, Patti Motlong, Lois Lustig, Barbara Chuprin and Helen Sarff, battled fiercely for the championship.

Two "All-Star" teams were picked to play at Washington School. Both teams came across with a whizz-bang performance that knocked the Washington teams for a loop and left them sadly defeated.

With the turn of the semester, freshman minds turned from volleyball to basketball. Sixty-seven players, divided into eight teams headed by Iola Botkin, Mary Damiani, Lou Alma Evans, Joan Love, Theresa Narcissi, Marilyn Ruhe, Mildred Schrohe, and Dorothy Wilkening, tried for the championship. Seven ferocious games were played in a cut-throat tournament. Lou Alma Evans' team, composed of L. Evans, D. Vazales, J. Witt, H. Sarff, P. Stevenson, E. Jones, H. Meade, and S. Roush, were champions.

GIRLS ADVANCED BOWLING CLUB

Every Monday from 3:45 to 5:00 p. m. the alleys at the Bowlaire Club were reserved for the Girls' Bowling Clubs. The Advanced Bowling Club consisting of six teams, each made up of five girls, occupied six alleys.

Sponsored by Miss Adele Frederickson, the club elected the following officers at the beginning of the year; Shirley Davis, president; Sally Spotora, vice-president; Clotilda Sokolowski, secretary; Sylvia Folta, treasurer.

Besides bowling one game every Monday, the girls raised money for the treasury through candy sales. They also had a party at the end of the year, at which time awards were presented to the highest-average bowlers.

The scores made by the girls ranged from a low 52 to a high 196, which was made by Lois Saia. Incidentally, this is a very high score for a girl. As the score of 52 indicates, each girl is not an expert bowler, but each has a thorough understanding of the game of bowling, which includes keeping score.

At the end of the first semester Team 3 had the highest average, which was 118. The girls on this team were Jenny Buccino, Phyllis Piazza, Lois Saia, Shirley Davis and Norene Dohmeyer. The highest individual averages were held by Lois Saia with an average of 127, Jenny Buccino with an average of 123, and Dolores Gumas with an average of 119.

First Row: J. Peters, B. J. Fortmiller, M. Weckert, G. Martin, J. Cornet, J. Patz, F. J. McKee, M. Craig, C. Rendina, C. Loughmiller, D. Reed

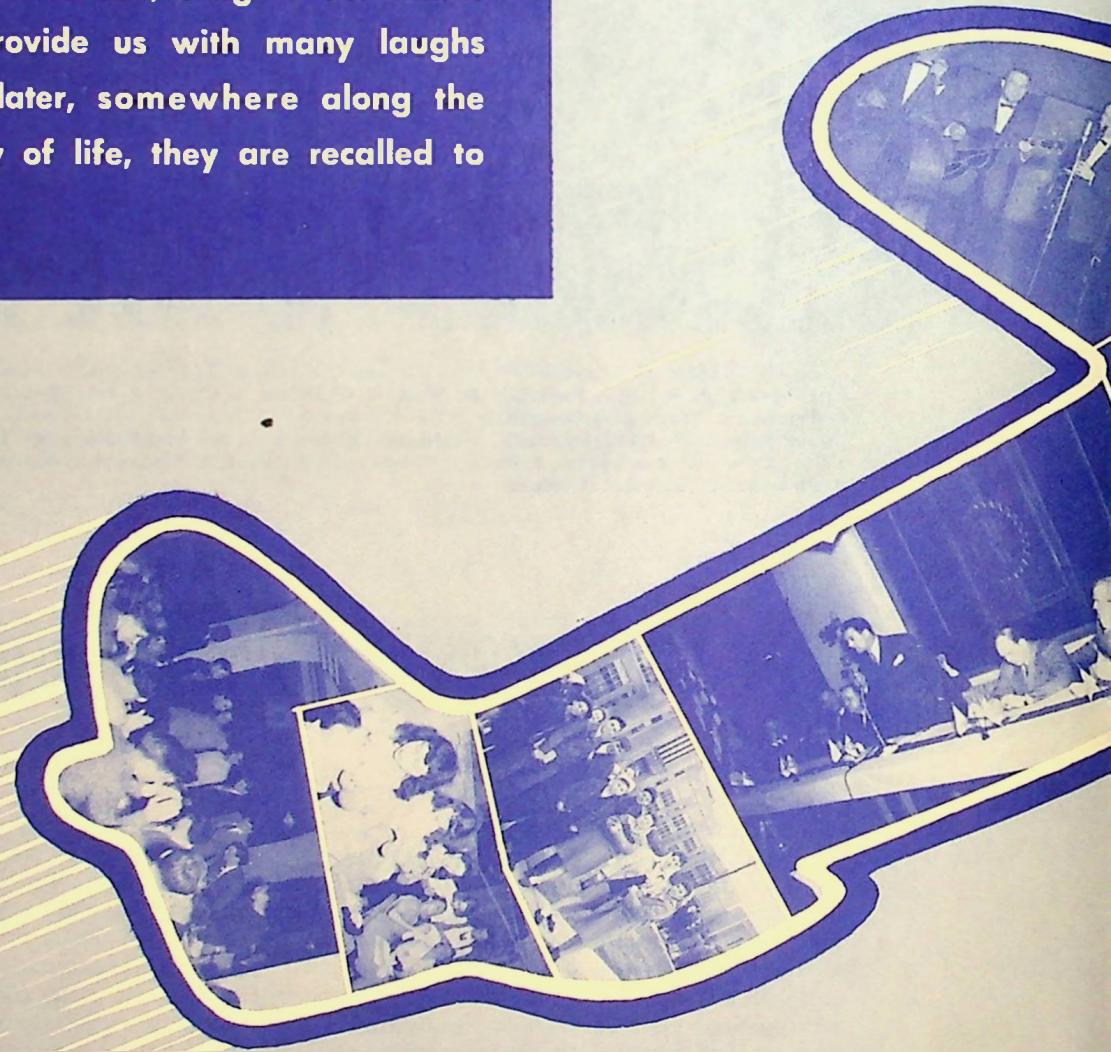

Second Row—D. Welk, A. Naumann, J. LaFaunge, A. Jaracz, S. Schweer, E. Slemensky, L. Pikna, E. Sons, J. Coy, J. Cramer, Miss Veazey, B. George, M. Eytcheson, I. Ralyak, E. Windhorst, L. Dettmering, A. Buccino, D. Platenka, B. Matusiak, E. Wade

GIRLS BEGINNING BOWLING CLUB

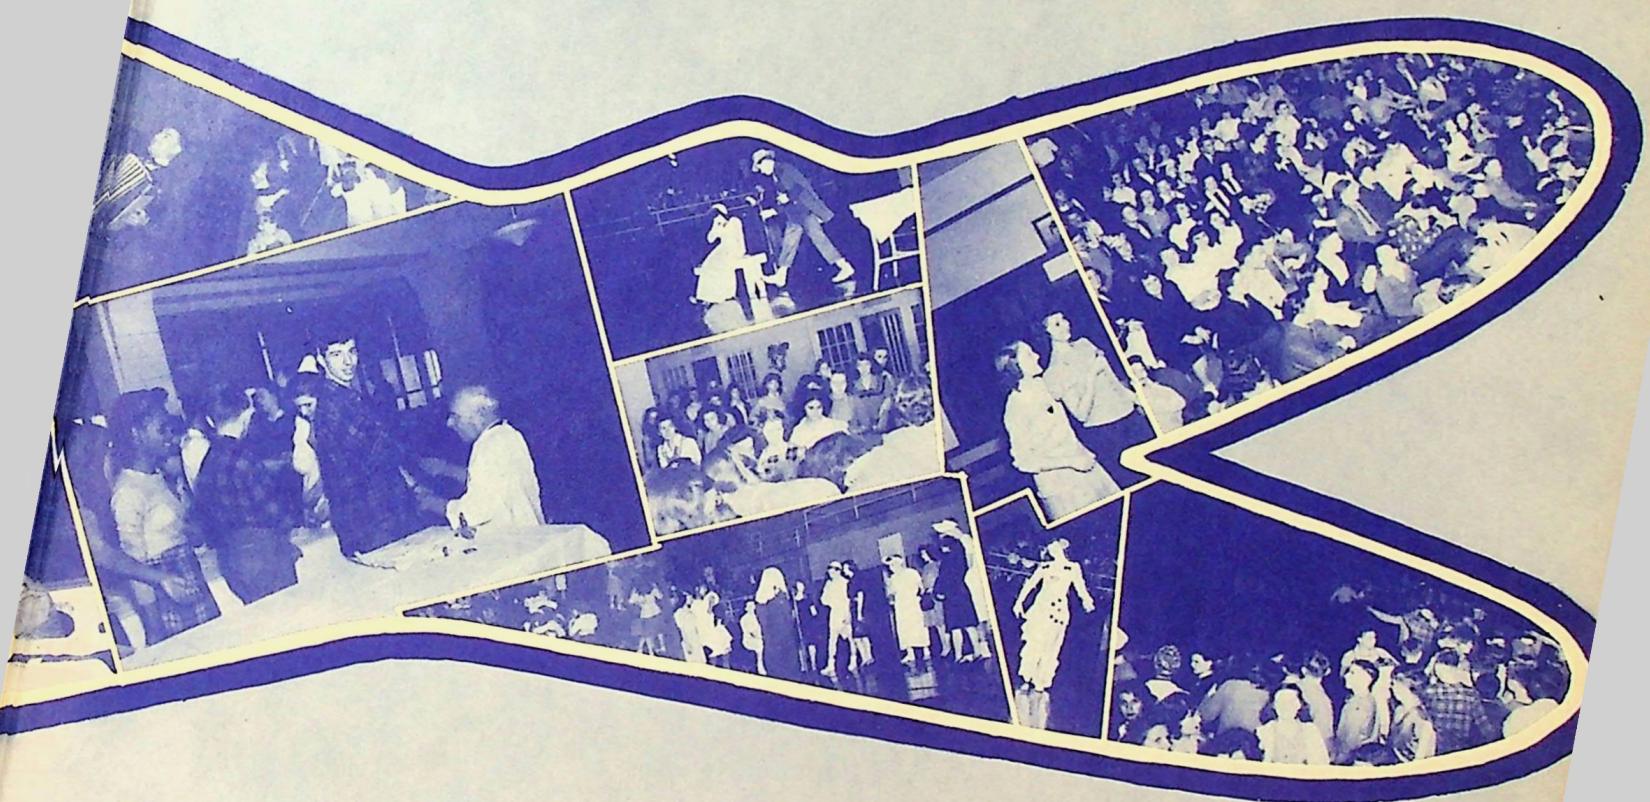

The thirty members of the Beginning Bowling Club under the sponsorship of Miss Leila Veazey, met every Monday after school at the Bowl-Aire. Early in the bowling season officers were elected by the girls. Results were as follows: Joan Cornet, president; Gayle Martin, vice-president; Joy Patz, secretary; and Marjorie Weckwert, treasurer. On February 12, five girls were entered in the state G.A.A. bowling tournament. Barbara George, Florence Montella, and Shirley Schweer represented the Beginning Bowling club in this tournament. The sum total of pins for the tournament was 1917, which was an average of 127-12 pins. Florence Montella rolled a 492 series, while Barbara George ended with a 390 series. Bloom placed fourth in the contest.

At the end of the bowling season the girls enjoyed a party at which the highest bowlers were awarded bowling pins for their efforts. The highest bowlers in the club are the following: Barbara George, 136; Shirley Schweer, 123; Florence Montella, 113; Jean Coy, 109; Gayle Martin, 109; Angeline Sylvestro, 105; Ernestine Wade, 102; and Jean McKee, 100.

There are several "little things" about our school life which are often forgotten long before we ever graduate, but some of these things, for no apparent reason, cling to our minds and provide us with many laughs when later, somewhere along the journey of life, they are recalled to mind.
